1. The decision:

- a) That the capital programme for 2011/12 to 2014/15, as set out in Appendix 1, be approved for submission to the Leader and Cabinet.

2. Reasons for the decision:

2.1. Cabinet has requested that Executive Members prepare proposals for:

- (i) a locally resourced capital programme for the four year period from 2011/12 to 2014/15 within the guidelines of the current capital programme adjusted for inflation.
- (ii) A programme of capital schemes supported by Government grants or supported borrowing in 2011/12 and those expected to be supported in 2012/13, 2013/14 and 2014/15, subject to limits restricting the take-up of Government supported borrowing allocations.

2.2 The guidelines for the capital programme have been set within the context of the medium term financial and efficiency strategy which is closely linked to the Corporate Strategy and the Corporate Business Plan. This ensures that priorities are affordable and provide value for money and that resources follow priorities. Decisions on the capital programme will support the County Council's corporate priorities as indicated in the detailed capital programme attached as Appendix 1.
