December 2009	Bedhampton Road/Hulbert Road traffic signalled junction	Safety issue related to right turning vehicles	Local Residents via Local member	ITS are suggesting the introduction of a right turn filter and pedestrian facilities at this traffic signalled junction. Initial estimate £90K.	Scheme currently being progressed by ITS. Due to be implemented June 2011. Remove from Log
December 2009	Petersfield Road/Wakefords Way	Safety issues relating to children crossing Petersfield Road	Governor for Staunton Park Community School	Investigations have indicated that pedestrian facilities on Petersfield Road would be beneficial. Havant Borough Council are progressing a proposal to seek funding to construct a pedestrian/cyclist crossing point across Petersfield Road. At present the majority of pupils cross the Petersfield Road at road level ignoring the existing subway but there is no formal crossing point. The proposal will aide pupils to cross the Petersfield Road from Havant Academy, Front Lawn Junior and Infant Schools.  Havant Borough Council are also proposing to seek match funding to enlarge the scheme through Sustrans linking an off / on road cycleway from	Remove from Issues Log
