1. The following decisions were made:

That the County Council be recommended

- a) To adopt the Addendum to the Statement of Community Involvement.
- b) To delegate authority to the Director of Environment, in consultation with the Executive Member, to make any further detailed and/or technical amendments to the Statement of Community Involvement Addendum that may be required to comply with new guidance or legislation, provided that these do not significantly change the scope, emphasis or opportunities for participation set out in the Statement of Community Involvement.

2. Reason for the decision:

- 2.1. The Planning Act 2008 and the consequent Town and Country Planning (Local Development) (England) (Amendment) Regulations 2008, and the new version of Planning Policy Statement 12 (Local Spatial Planning) have altered the regulatory framework with which the Statement of Community Involvement (SCI) must comply.

3. Other options considered and rejected:

- 3.1. No revision of the SCI could be undertaken. This would leave the Mineral and Waste Development Documents that comprise the Hampshire Minerals and Waste Development Framework vulnerable to procedural challenges in the future.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: none.

4.2. Conflicts of interest declared by other Executive Members consulted: none.

5. Dispensation granted by the Standards Committee: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.

7. Statement from the Decision Maker:

Approved by: ----- Executive Member for Environment Councillor M J Kendal	Date: 29 June 2010
