**Fareham Traffic and Transport Issues**  
**Updated September 2010**

Ref No.	SUGGESTION	WHO RAISED ISSUE	OFFICER NOTIFIED OF ISSUE	OUTCOME/UPDATE	ACTION / PRIORITY
1/07	Hillhead Promenade, Stubbington Provision of cycle route alongside the promenade at Hillhead.	Councillor Knight	Mary-Ann Toop, Area Transport Manager, South	Costs identified in the region of £25,000 to provide the footway. Land issues are being resolved.	Scheme under development  <b>(M)</b>
04/09	Highlands Road – near junction with Greyfriars Road	Local Resident	Ruth Olczyk, Services Manager – Traffic Management (South and East)	Request for a crossing point on Highlands Road to access the Garage and Bus stop in Blackbrook Road. The road is busy and difficult to cross particularly at peak times. Unlikely to meet criteria for a formal crossing. Traffic Counts have shown that pedestrians do cross in this location. (PV2 0.6) Difficult to locate a refuge island. Other options being considered.  Investigations have been undertaken into the provision of a refuge island. It is not possible to locate a refuge island due to the road widths and proximity of private accesses. No further action to be taken.	Remove from the issues log

06/09	Road to Wicor Recreation Area (PEM 1781741)	Mark Hoban MP	Mary Ann Toop Area Transport Manager, South	Detailed investigations have shown a footway is not viable. However a bid for funding from the Fareham HAT for the provision of cycle stands for Wicor Recreation Ground has Councillor Man's Decision Day.	Remove from Issues Log  <b>(M)</b>
<b>ISSUES RAISED SINCE NOVEMBER 2009</b>					
07/09	Old Turnpike/Wickham Road	FBC Andy Viccars – Ward Councillors Trott and Murray	Peter Barty Highways Manager, Fareham	Request for an extension to the footway across the forecourt to Turnpike Garage. Awaiting funding to resolve visibility and pedestrian issues. Land to frontage is confirmed as highway.	Awaiting funding  <b>(M)</b>
03/10	Hartlands Road Fareham	Councillor Trott	Mary Ann Toop Area Transport Manager, South	Concerns about the peak hour volume and off peak speeds in Hartlands Road and general interaction with Fareham Bus Station. Investigations being carried out as part of the Fareham Town Access Plan.	Remove from Issues Log  <b>(M)</b>
04/10	Newgate Lane	Elliots Building Supplies	Ruth Olczyk, Services Manager – Traffic Management (South and East)	All Traffic should be turning left from the access to Elliots in Newgate Lane and using the roundabout to turn to travel North. Some vehicles are ignoring this causing a road safety issue.  Initial investigations have shown that there has been one accident on Newgate Lane involving a right turning vehicle from the Elliot's entrance. The best solution is to extent the centre island to physically deter right turning traffic.	Added to traffic management programme – Remove from Issues Log  <b>(M)</b>

05/10	Mill Lane Titchfield	Councillor G Hockley	Ruth Olczyk, Services Manager – Traffic Management (South and East)	<p>Request for a pedestrian phase at the existing signals across Mill Lane to access the new MUGA site.</p> <p>Initial investigations by ITS have indicated that a ped phase is feasible but would cost around £72,000. Councillor Hockley has requested that we look at a cheaper alternative. Feasibility of an uncontrolled crossing in Mill Lane has been investigated. This crossing would be off the desire line and would require the construction of an additional footway therefore not recommended.</p>	<p>Funding required for pedestrian phase.</p> <p><b>(M)</b></p>
06/10	West Street Fareham	The Children's House, 207 West Street	Ruth Olczyk, Services Manager – Traffic Management (South and East)	<p>Request for a pedestrian crossing on West Street, Fareham.</p> <p>Survey undertaken 6.5.10, with PV2 value 0.9. Site inspection with ITS confirmed a puffin crossing could be located outside The Children's House, between access points. Further works will be required to remove existing refuge island and alter centre hatching/shorten right-turn lane.</p> <p>Note - before this scheme is progressed, consideration needs to be given to possible tm measures being reviewed as part of BRT through Fareham TAP. Scheme to be added to Transport Contributions Policy list.</p>	<p>Remove from Issues Log</p> <p><b>(M)</b></p>
