1/07	Hillhead Promenade, Stubbington Provision of cycle route alongside the promenade at Hillhead.	Councillor Knight	Mary-Ann Toop, Area Transport Manager, South	FBC are investigating issues which input to the feasibility including land ownerships, changes to bylaws and longer term maintenance.	Passed to FBC and CCRA for progression. (M)
06/09	Road to Wicor Recreation Area (PEM 1781741)	Mark Hoban MP	Mary-Ann Toop Area Transport Manager, South	<p>The Cycle stands have been installed at Wicor Rec in January 2011. Councillors Davidovitz and Price, the Deputy Head and young people from the Rights and Respect group from Portchester Community School were present for the hand over on 25th Jan.</p> <p>With regard to the Cranleigh Road approach to Wicor Rec a site meeting has been held with Cllr Price and a proposal has been put forward to create a protected area in the existing verge, protected by "dragons teeth". Highways maintenance will add the verge reinstatement into the 2011/12 maintenance program, with the works proposed for late summer to coincide with the better weather and reseeding of the verge, however there is currently no funding for the provision of this. Negotiations are underway with FBC for CATs funding for the full amount of £8.5k, or</p>	(H) Funding being sought.

				<p>a significant contribution, and alternate top-up funding sought.</p> <p>The maintenance works will not proceed without the dragons teeth as the reinstatement would be lost due to the verge continuing to be over run and parked upon.</p> <p>Proposed additional enforcement via yellow lines has been included into the 2011/12 Traffic Management programme. However the TRO will only be considered after the verge reinstatement and once the impact of the displaced parking has been assessed, with the scheme being adjusted to alleviate any new parking issues affecting the residents of Heritage Gardens and Cranleigh Road.</p>
