

EAST HAMPSHIRE : TRAFFIC MANAGEMENT PROGRAMME 2009/10 - FIXED PROGRAMME**TRAFFIC MANAGEMENT REQUESTS, INVESTIGATIONS AND PROJECTS****SPEED LIMITS**

Ref		PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OFCR	PROGRESS
1	399	GRAYSHOTT	Village Centre	20mph speed limit requested	Councillor comments - Very busy with many elderly and The Square project will increase activity, Easily achieved at low cost.	James		initially considered to be appropriate for area but further investigation to be completed. - link to other proposals for Grayshott.
2	86	HEADLEY	B3002, Bordon - Grayshott	speed issues	resident request for speed camera / 30mph and traffic calming. Headley area included in 0809 programme for village 30 programme (including Liphook Road and Headley Down area). Route review to be included in A and B road speed limit reviews to be carried out by 2011.	James	HQ	Village 30 speed limits complete - but snagging works to be completed.

TRAFFIC MANAGEMENT, SIGNING AND ROAD MARKINGS

Ref		PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OF CR	PROGRESS
3	300	ALTON	Treloars College	accessibility issues	meeting held 26.6.08, actions agreed incl : hedge notices / 2 courtesy crossings / cw reshaping. Footway widening to be considered in more detailed re feasibility and funding. Developer funding for area - suggestion put forward to be considered for external funding.	Joy		CARRY FORWARD TO 2010/2011 (feasibility study bid made for 2010/2011 studies programme)
4	6	ALTON	Chawton Park Road and Beechwood Road	HCV traffic and traffic speed and rat-running through Beechwood Rd	CHAWTON PARK RD : HCV traffic accessing local facilities - rec centre, hospital, surgery etc. BEECHWOOD RD : local concern raised re rat-running from Chawton Park Rd to Whitdown Ln to avoid queue at jcn	Joy	CG	Investigation completed and concluded that there was little evidence of rat-running and that the HGV traffic is, in the main, accessing the local premises. Local Member advised.
5	386	BINSTED	A31 Bypass and Blacknest Rd	review of lorry restriction signs	more conspicuous signing required either end of road and advisory signing on A31. Link to 460.	Kemp-Gee		CARRY FORWARD TO 2010/2011 - Parish Council assisting with review of weight restriction signing - once complete missing signs to be replaced.
6	80	HEADLEY	Barley Mow Hill, Arford Road and Long Cross Hill	traffic speeds, road safety, rat-running	request for traffic calming and footways, but narrow carriageway limits use of physical features. Speeding issues identified, data available, for Barley Mow Hill and Long Cross Hill - passed to Police for enforcement. Damage and injury accident history exists. Virtual footway and edge lining reinstated following surface dressing. some school travel related issues.	James	SW	Feasibility scoping study with Parish Council for comment. Also priority guidance requested. SCOPING STUDY COMPLETE.
7	495	HORNDEAN	Catherington Lane, Catherington	request for village gateways	either side of village - village nameplates currently in place. Briar Field to new traffic lights - stacking traffic causes crossing difficulties in Kingsmede area, plus access issues. Request to consider box marking and pedestrian facilities such as a refuge.	Payne		Feasibility study bid made for 2010/2011 studies programme. Works funding for refuge or pedestrian facility from Cllr discretionary budget and implementation through HHE.
8	209	LINDFORD	Liphook Road	development related speed limit reduction plus traffic calming	developer contribution of £350K expected as part of Chase Rd development - reserved for footbridge and traffic calming/pedestrian facilities for Liphook Rd already identified. Link to Town Access Plan for Bordon/Whitehill/Lindford. Awaiting EF to be made available to fund project. Liphook Road included in 0708 village 30 programme. TM to provide advice.	Carew	RH	Contact: Rachael Handley, Transport Policy (project now being progressed through Transport Policy and Implementation)
9	361	LIPHOOK	Conford	relocation of sign requested	relocated 'no through rd' and consider use of 'unsuitable for' sign.	James		Being undertaken by HHE, sign position amendments discussed with LHE for area.
10	527	PETERSFIELD	B2199, Heath Road East	pedestrian activity	improved awareness of pedestrians crossing Heath Road East from Footway to Heath, child accident, alongside no 56. Councillor comments - child was hit, speed not a factor but need for crossing point to allow children and families to cross safely to Heath on way to school.	Clarke	CG	Works to highlight crossing point ordered - includes bar markings and bollards.

11	245	PETERSFIELD	Tilmore Road	pedestrian crossing issues	No footway over narrow bridge, but some separation by white line. Parents / children using route feel vulnerable and have limited visibility due to steepness of bridge. At jcn Chapel Street crossing difficulties due to poor visibility and traffic volume. There are no dropped kerbs and the bridge is not wide enough for 2 cars to pass. Signals would need to be considered for priority working.	Clarke		Pedestrian area on bridge to be marked with red surfacing - ordered. Also bid for feasibility study funding submitted for signal control. COMPLETE.
12	226	PETERSFIELD	Pulens Ln and Durford Rd	traffic speed	Police CRT enforcement area. Cycle route proposals in progress. Also SRTS proposing measures linked to Herne Junior for crossing improvement. Impact to be monitored.	Clarke	SW	Traffic surveys complete - no speed issue identified - further surveys requested to establish the level of through traffic. Limitations on traffic calming due to private entrances and parking needs. Further surveys undertaken due to continued concern by residents but no speed issue identified. Direction signing ordered. COMPLETE.
13	287	ROWLANDS CASTLE	Bowes Hill	road safety concerns - request for traffic calming	30mph limit - minor incident occurred recently, speeding concerns at speed limit entry point	Payne	SW	Limited options for traffic calming due to private entrances and road width - Proposals for road marking improvements sent to Parish Council - no response received. NO FURTHER ACTION
14	357	SHEET	village (including School Road)	traffic and road safety - village study	Various issues raised of pedestrian and traffic safety, including narrow roads, lack of pavements and lighting, traffic size and level. Sheet Village Association have produced a Road Safety Action Plan. Also Network Rail considering closure of AHB on School Lane, but at very early stage currently and awaiting more details. Recommendations arising from plan are as follows: VILLAGE STREET: (1) no right turn from A272 into Village Street and Mill Lane (2) 20mph speed limit INMANS LN & TOWN LN: (1) no parking, double yellow lines covering entire junction (2) 20mph speed limit. SCHOOL LN: (1) 20mph speed limit (2) 'one-way' system from Farnham Rd towards Sheet Primary School (3) 'KEEP CLEAR' road markings outside school entrance WHOLE VILLAGE: (1) refurbishment of junction markings.	Clarke	SW	Feasibility study bid submitted for 2010/2011 study programme.
15	524	WHITEHILL	Malmesbury Rd and Forest Road	traffic speed	request for traffic calming. Councillor comments - traffic calming and issues around Woodlea School, including traffic calming and school crossings Forest Road, Malmesbury Road, Atholl Road, Whitehill	Carew		Feasibility study bid submitted for 2010/2011 study programme.

TRAFFIC REGULATION ORDERS

Ref		PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OF CR	PROGRESS
16	308	ALTON	Market Square	outdoor café' experimental POD and EHDC licensing of tables and chairs	previous proposal abandoned to await tables and chairs licensing policy development by EHDC. Policy soon to be operational.	Joy	MCW	Operation date for Order 1st June 2009. Request to street lighting to provide illumination to sign - awaiting works completion.
17	15	ALTON	town centre	resident parking scheme	beyond scope of TM budget and available resource - some initial investigation and survey has been undertaken - business case submitted for progression but not successful, to be reviewed but advice taken and unlikely to achieve funding level required through capital programme - resource issues prevents further progression at present. Also possibilities for funding through EF being explored. Project to be approached on a piecemeal basis for foreseeable future - long term 5year plan being developed for discussion and prioritisation of areas.	Joy	MCW	Plans for proposed phases being developed for discussion and prioritising. Meeting held 22 Sep 08 with local elected representatives - PHASE 1 is Westbrooke Rd area and Tanhouse Ln / Steeple Dv (proposals being developed for preliminary consultation) - PHASE 2 is Mount Pleasant area. Traffic Warden posts for East Hampshire no longer exist and enforcement is an issue in the implementation of a resident parking scheme. EHDC investigating decriminalised parking.
18	21	ALTON	Upper Grove Road	fcn obstruction through parking	also to be included within resident parking review, issues with level of parking due numbers requiring on-street parking - depending on phase 2 timescale could be included in phase 1 of the town parking review.	Joy	MCW	please see ref 15 - Alton Resident parking scheme. White lining provided to junction area to control parking on an advisory basis but will also be included in residents parking phase 2.
19	408	ALTON	Cherry Way / Walnut Close / Greenfields / Old Odiham Road	parking issues	student parking causing difficulties for residents, exacerbated by building work at College which has reduced parking and should be completed this summer	Joy	CG	O910 PRIORITY 1: Met with Police and Traffic Warden 5.5.09 and agreed provision of advisory markings initially to discourage obstructive parking. Proposals developed and works completed. Further lining proposed for turning head area.
20	385	BENTLEY (Binsted Parish)	Station Rd	review of parking restrictions and extension to parking bay	residents and parish concern over commuter parking	Kemp-Gee	CG	Amendments to parking restrictions agreed with Parish Council and Member. Traffic Order advertised and objections received. Possibilities exist for amending proposals to address objections - amended proposals to be developed, Parish Council and Member to be consulted.
21	460	BINSTED	Blacknest Road	Route study.	between Bentley and Frith End - Link to 386 - traffic calming and safety measures for whole route. Parish Council request 30mph for Frith End section (reduction from 40mph), and 40mph over remainder of Blacknest corridor (reduction from derestricted).	Kemp-Gee		CARRY FORWARD TO 2010/2011 - SET proposals for improving awareness of cross-roads. Study bid made for 2010/2011. Traffic surveys for speed and volume being arranged for route.

22	389	BORDON	Lynton Road (private)	relocation of closure	issues with turning and stacking problems around High Street and Chalet Hill junction, also people accessing Tesco store.	Carew	SW	Further investigation undertaken into S278 for the Tesco access road and reveals road is adopted. Relocation of road closure point to the Chalet Hill end to be proposed. Advertised. Objections received relating to access rights for residents - currently being considered and legal advice sought.
23	390	BORDON	A325, Whitehill xrds to Fire Stn xrds	parking restrictions to lay-bys, 1/2 or 1 hour to be proposed, subject to consultation	to enable more frequent turnover of visitors and assist customer access to services, and prevent cars for sale opp One-Stop and outside the Police Station.	Carew	CG	Proposals formally advertised and no objections received - approval being sought for the Order to proceed, following which an operation date will be set and the works implemented.
24	179	WHITEHILL	Firgrove Road	parking issues in bellmouth with Hogmoor Road		Carew		0809 PRIORITY 4
25	355	CLANFIELD	Drift Rd shops	long term parking o/s shops	Parish Council would like parking restricted to short terms to increase turnover and customer convenience. Combined with 41.	West	SW	Proposals amended following initial consultation. Now re-consulting prior to advertisement.
26	41	CLANFIELD	Village Hall, South Lane and nr Rising Sun	obstructive parking issues	pub issue - at evenings and weekends. Village Hall issue - weekdays at school times - combined with 355.	West	SW	See 355, Drift Rd, Clanfield for progress notes.
27	271	FROYLE	Service Road at Hen and Chicken PH	parking issues alongside pub, plus merging traffic signing	PARKING ISSUE : request for NWAAT - due to visibility and obstruction concerns, accident history on A31 - (SET project on A31 completed several years ago to address) MERGING TRAFFIC : sign to inform A31 traffic of joining traffic from side road.	Kemp-Gee	CP	Investigated - white edge line to be refurbished. To be ordered.
28	348	GRAYSHOTT	Glen Rd jcn Headley Rd	parking concerns	SAFETY ISSUE - parking on Headley Road between build outs - commercial vehicles park in marked bays causing visibility problems at Glen Rd and manoeuvring issues.	James		Under investigation.
29	73	GRAYSHOTT	Whitmoor Vale Road and School Road jcn	Prohibition of Left Turn and No Entry	Arrangement of junction has steep drop on one side and makes junction unusable on one side. Parish suggest short one-way section and banned turn which Police agree. Turning count obtained. SRTS also proposing improvements and scheme agreed.	James	SW	Proposals approved and Order made operational for 2nd November 2009. COMPLETE
30	113	LISS	Weston Road and jcn Station Rd	parking	new layout suggested by Parish Council as result of historic discussion with HCC officer and extension of waiting restrictions.	Clarke	CG	Proposed Traffic Order advertised and objections received. Possibilities for amendment being considered to address objections, prior to re-consultation.
31	263	PETERSFIELD	Sheep Street	request for one-way and environmental enhancement	possible inclusion within TAP if local priority - TAP currently programmed for 2009 development - SARA requests to be considered through this process.	Clarke	SW	Traffic surveys complete - one-way system under initial consultation. Town Council object. Cllr to obtain more feedback, but none received. Environmental enhancement request passed to landscape planning for consideration.

32	141b	PETERSFIELD	(rds included : Highfield, Rushes Rd, Heath Rd, Bedford Rd, Penns Rd, Noreuil Rd, Princes Rd, Sandringham Rd, Station Rd (taxi), Borough Rd, Chapel Street, Hylton Rd, North Rd, St Peters Rd, Sheep St, The Spain, The Maltings, Grenehurst Way, College St, Marden Way, Herne Rd, Lyndum Close, Linton Rd, Oaklands Rd, Tilmore Ln, Buckingham Rd, Gloucester Cl)	Parking review	business case to be prepared for progression but unlikely to be successful unless funding secured - resource issues prevents further progression at present. Also possibilities for funding through EF being explored.	Clarke	MCW	Plans for proposed phases being developed for discussion and prioritising. Meeting held 25 Sept 08 with local elected representatives to obtain views on areas identified and priority. Police reorganisation means that dedicated enforcement resource for East Hampshire no longer in post. EHDC considering options. - PHASE 1 generally agreed as Sandringham Road area - proposals for area to be developed.
33	298	ROWLANDS CASTLE	outside shops / The Green	change of restriction time from 2hrs ltd waiting to 30 mins.	restriction change to reflect actual parking patterns and increase turnover. Around The Green, hazardous parking reported causing congestion and visibility concerns, minor accidents have occurred.	Payne	SW	Now approved by Director of Environment - implementation date of 20th April 09. COMPLETE
34	356	STROUD	North Stroud Lane	request for waiting restrictions to prevent parking	indiscriminate parking. Councillor comments - very dangerous parking at difficult exit onto A272, parking right up to junction, double yellow lines urgently needed, has parish support.	Clarke		Site reviewed and proposals for advisory markings to be developed.

RESERVE PROGRAMME

Ref		PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OF CR	PROGRESS
35	301	ALTON	Town Centre	Taxi Rank and Disabled Parking provision	mtg held 11.9.07 - locations for additional rank space plus amended disabled parking and ltd waiting spaces discussed. Prelim proposals to be plotted for further discussion. Further meeting to be held 28.1.09 to discuss issues with abuse of bay at Swan Hotel and enforcement issues - possibilities for sign / line improvements in short term to assist (see ref 518) , plus taxi association suggest barrier - to be considered further.	Joy	MCW	RESERVE - O910 PRIORITY 2
36	203	ALTON	Turk Street	HCV turning difficulty for long vehicles	HCVs, long vehicles in particular, experiencing difficulties turning from High St to Turk St - signing suggested. Due to No Entry signage and enhanced town centre little scope for increased signage. Need for vehicles to enter area should be considered.	Joy		RESERVE - O910 PRIORITY 3
37	540	BORDON	Budds Ln jcn A325	access issues	Councillor comments - mini rab or filter lights on Budds Lane onto A325 north or south.	Carew		RESERVE - O910 PRIORITY 2/3
38	350	COLEMORE	C18 / Barnetside Ln / Monkey Ln junction	traffic speed and road safety	request for SLOW marks either side of cross roads and speed restriction. Councillor comments - dangerous cross-roads, some accidents, has Parish support.	Clarke		RESERVE - O910 PRIORITY 3
39	514	HEADLEY	Eddeys Lane	request for traffic calming at Grayshott Rd end	access only local road, concern over traffic speeds as no footway exists and accommodates local shops. Short link of footway to be provided by HHE at Beech Hill end but not feasible over rest of route. Request for chicane or 2 staggered build outs. feasibility needs further study.	James		CARRY FORWARD TO 2010/2011 Feasibility study bid made for 2010/2011 studies programme.
40	608	HORNDEAN	London Road (Havant Road to A3M)	traffic speed and pedestrian safety concerns	narrow pavements, pedestrian issues, traffic speed concerns - traffic survey data to be obtained.	Payne		RESERVE O910 PRIORITY 3
41	402	LIPHOOK	B2171, London Road	40mph buffer speed limit	general road safety concerns for all road users, perceived traffic increase and local development will increase further. To be included in A & B road speed limit reviews to be carried out by 2011.	James		RESERVE O910 PRIORITY 3
42	291	LISS	Liss Forest	traffic calming chicane requested as Parish Partnership	to reduce traffic speeds on entry to Liss Forest.	Clarke		RESERVE O910 PRIORITY 2 - see ref 115
43	115	LISS	Forest Road	speed limit review for extension of 30mph	Councillor comments - constant complaints from residents, possible extension to 30mph but may not require chicane (ref 291), has Parish support.	Clarke		RESERVE O910 PRIORITY 2 - see ref 291
44	539	PETERSFIELD	Station Rd / Tilmore Rd	Safety	Councillor comments - safety concerns identified here when crossing the road from Tilmore Road across Station Road, although there is a crossing further up Station Rd there is no pavement on the opposite side to safely access it.	West		RESERVE O910 PRIORITY 2
45	258	ROWLANDS CASTLE	Links Lane	parking issues around golf-club	concerns about parking on street parking outside the golf club on a bend where visibility is limited - Parish Council priority . Also outside the church on The Green where there are parking issues at the junction with the church and no 55A.	Payne		RESERVE O910 PRIORITY 2
46	541	WHITEHILL	Walldown Road, Liphook Road	junction issues		Carew		RESERVE O910 PRIORITY 3
