1. The decision:

- a) That competitive energy rates be sought, via the LASAR Central Buying Consortium, for the supply of unmetered energy to street lights, illuminated signs, bollards and traffic signals for a period of 18 to 36 months as deemed expedient by the Director of Environment.
- b) That the Director of Environment be given authority to procure energy for these purposes within the existing budget limits.

2. Reason for the decision:

- 2.1. The present contract for the supply of unmetered electrical energy with Scottish and Southern Energy plc (SSE) will cease at midnight on 31 March 2011 and it is necessary to put in place a contract for the supply of electrical energy thereafter.

3. Other options considered and rejected:

- 3.1. There is no other means of contracting for a supply of energy on a competitive basis.

4. Conflicts of interest:

- 4.1. Conflicts of interest declared by the decision-maker: none.
- 4.2. Conflicts of interest declared by other Executive Members consulted: none.

5. Dispensation granted by the Standards Committee: none.
6. Reason(s) for the matter being dealt with if urgent: not applicable.
7. Statement from the Decision Maker:
