

## Transport Delivery Plan - Consultation Questions

Following a series of consultation workshops, Transport for South Hampshire (TfSH) has developed a draft Transport Delivery Plan (TDP). This final consultation phase offers stakeholders an opportunity to help TfSH finalise the TDP. For background information on the Transport Delivery Plan please see section 1 of the Consultation Draft of the TDP.

The TDP is available from the TfSH [website](#), with the consultation period running from 14<sup>th</sup> December 2012 to 14<sup>th</sup> January 2013.

### Consultation Questions

**1. Do you agree that the schemes presented within the consultation draft of the TDP will help solve transport constraints? Please explain your answer**

**2. Do you agree that the focus for transport schemes should be on improving access to existing urban areas and to the international gateways? Please explain why**

**3. Do you think that the consultation draft of the TDP is missing any transport scheme(s)? If so, please state the scheme(s) and explain what problem the scheme(s) would solve and whether they represent value for money.**

**4. Do you think any schemes included within the consultation draft of the TDP should be removed? If so, which ones and why?**

**5. Which scheme(s) do you think offer the greatest potential to support economic growth?  
Please explain your answer.**

**6. Do you have any other comments you would like to make?**
