1. The decision:

- 1.1. That the land identified in Appendix 2 as Plot A be no longer safeguarded for highway purposes.
- 1.2. That, as a consequence, Plot A be declared surplus to highway requirements and a decision on its potential disposal be referred to the Executive Member for Policy and Resources.
- 1.3. That the land identified in Appendix 2 as Plot B continue to be safeguarded for highway purposes.

2. Reasons for the decision:

- 2.1. Test Valley Borough Council has requested clarification of the status of Plot A and a review has been carried out identifying the need to change its status.
- 2.2. Discontinuation of land safeguarding for highway purposes requires an Executive Member decision.

3. Other options considered and rejected:

- 3.1. Continue the safeguarding of both Plot A and Plot B for highway purposes. This option was rejected because the County Council has no intention to make use of Plot A for highway purposes.
- 3.2. Abandon the safeguarding of both Plot A and Plot B for highway purposes. This option was rejected because the County Council intends to make improvements to Walworth Roundabout and Churchill Way following development at Picket Twenty, which will require use of Plot B.

3.3. Commission work to examine the case for other uses of the land. This option was rejected because it is considered unlikely that any new schemes would be viable, affordable or necessary.

4. Conflicts of interest:

4.1. Conflicts of interest declared by the decision-maker: None

4.2. Conflicts of interest declared by other Executive Members consulted: None

5. Dispensation granted by the Standards Committee: none.

6. Reason(s) for the matter being dealt with if urgent: not applicable.
