

- Notes:
1. Do not scale from this drawing.
  2. All dimensions are in millimeters unless otherwise stated.
  3. All dimensions must be checked on site.
  4. The designers shall be notified of any discrepancies.
  5. This drawing has been produced for sole use on this project and is not intended for use by any other person or any other purpose.

- DRAWING NOTES:
1. This drawing represents the schematic design, and is subject to detail design development.
  2. The building interior is to be kept under negative pressure to prevent odour impacts.
  3. All waste reception & deliveries will be carried out within the building.
  4. Roof lights are to maximise natural daylight within the building.
