**OPERATION RESTORE / OPERATION RESILIENCE**

Operation Restore is being followed by Operation Resilience in 2011/12, which constitutes a plan of action, supported by a significant financial commitment in the short and medium term, to improve the strength and condition of Hampshire's road network.

The project is being delivered by a dedicated team based in Petersfield convened specifically for the purpose comprising design, engineering, supervisory and administration staff from the County Council, Amey and the sub contractor Tarmac. The project is overseen by a four Member Panel and the Executive Member for Environment. This team will manage all resurfacing, surface dressing and minor capital schemes as listed below.
