IMPACT ASSESSMENTS:

1. Equalities Impact Assessment:

- 1.1 This is a forward plan of topics under consideration by the Committee, therefore this section is not applicable to this work report. The Committee will request appropriate impact assessments to be undertaken should this be relevant for any topic that the Committee is reviewing.

2. Impact on Crime and Disorder:

- 2.1 This is a forward plan of topics under consideration by the Committee, therefore this section is not applicable to this work report. The Committee will request appropriate impact assessments to be undertaken should this be relevant for any topic that the Committee is reviewing.

3. Climate Change:

- 3.1 How does what is being proposed impact on our carbon footprint / energy consumption?

This is a forward plan of topics under consideration by the Committee, therefore this section is not applicable to this work report. The Committee will consider climate change when approaching topics that impact upon our carbon footprint / energy consumption.

- 3.2 How does what is being proposed consider the need to adapt to climate change, and be resilient to its longer term impacts?

This is a forward plan of topics under consideration by the Committee, therefore this section is not applicable to this work report. The Committee will consider climate change when approaching topics that impact upon our carbon footprint / energy consumption.
