1. The decision:

- 1.1. That authority be given to the Chief Executive's Department in accordance with Paragraph 1.23 of the Economy, Transport and Environment Department's Scheme of Delegation to enter into an agreement under Section 278 of the Highways Act 1980 with Fishron (Basingstoke) Limited relating to Land at Barclay House 9-10 Victoria Street, Basingstoke.

2. Reason(s) for the decision:

- 2.1. Planning consent for development of the Land at *Barclay House 9-10 Victoria Street, Basingstoke* was obtained from Basingstoke and Deane Borough Council under reference BDB/77400.
- 2.2. In order to access and mitigate the development, highway improvements are required. The developer has submitted and gained approval to a design for the works consisting of;
 - Provision of a on carriageway loading bay and pedestrian crossing facilities on Victoria Street.
- 2.3. The completion of the Section 278 Agreement enables the developer to undertake the highway works, in accordance with the terms and conditions that the County Council has stipulated. The works are considered to provide public benefit.
- 2.4. The County Council has agreed that following completion of the works and a one-year maintenance period to thereafter maintain the works as public highway.
- 2.5. The full cost of the works, including any costs to the County Council in facilitating the works, will be met by the developer under the terms of the Agreement.

3. Other options considered and rejected:

Not to agree to enter into the agreement

- 3.1. This option was considered but dismissed on the basis that the applicant has demonstrated that the proposed works can be constructed in a safe manner and to an acceptable standard, that planning consent for the development including access exists, and that the works will provide essential access to the development site.
