1. The decision:

- 1.1. That a traffic order be implemented under the Road Traffic Regulation Act 1984, the effects of which will be to impose a 50mph speed limit (existing de-restricted) on that length of B3016 Odiham Road between its junction with the A30 London Road and a point 1600 metres south-east thereof.

The order will also revoke and re-enact the provisions contained in The Hampshire (Various Roads, Hartley Wintney to Hook) (Restricted Road, 30, 40 and 50 Miles Per Hour Speed Limit) Order 2014 with no change of substance save for the addition of the above proposal.

2. Reason for the decision:

- 2.1. No objections or representations were received in response to the public consultation which took place between 3 June and 24 June 2016.
- 2.2. The proposal will see a section, approximately 1600 metres, of the existing national speed limit in Odiham Road changed to a 50mph limit to slow vehicle speeds and ease safety concerns. A new cycleway has been implemented from the A30 to the rail station in the village to provide facilities for walking and cycling to the station. There has been an increased number of potentially vulnerable road users on this road since the new cycleway, so a lower speed limit is deemed safer for this change.

3. Other options considered and rejected:

- 3.1. None

4. Scheme Funding:

- 4.1. Traffic Management Capital Programme

5. Conflicts of interest:

- 5.1. None

6. Dispensation granted by the Head of Paid Service:

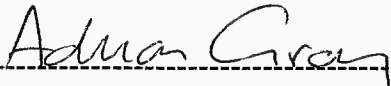

6.1. None

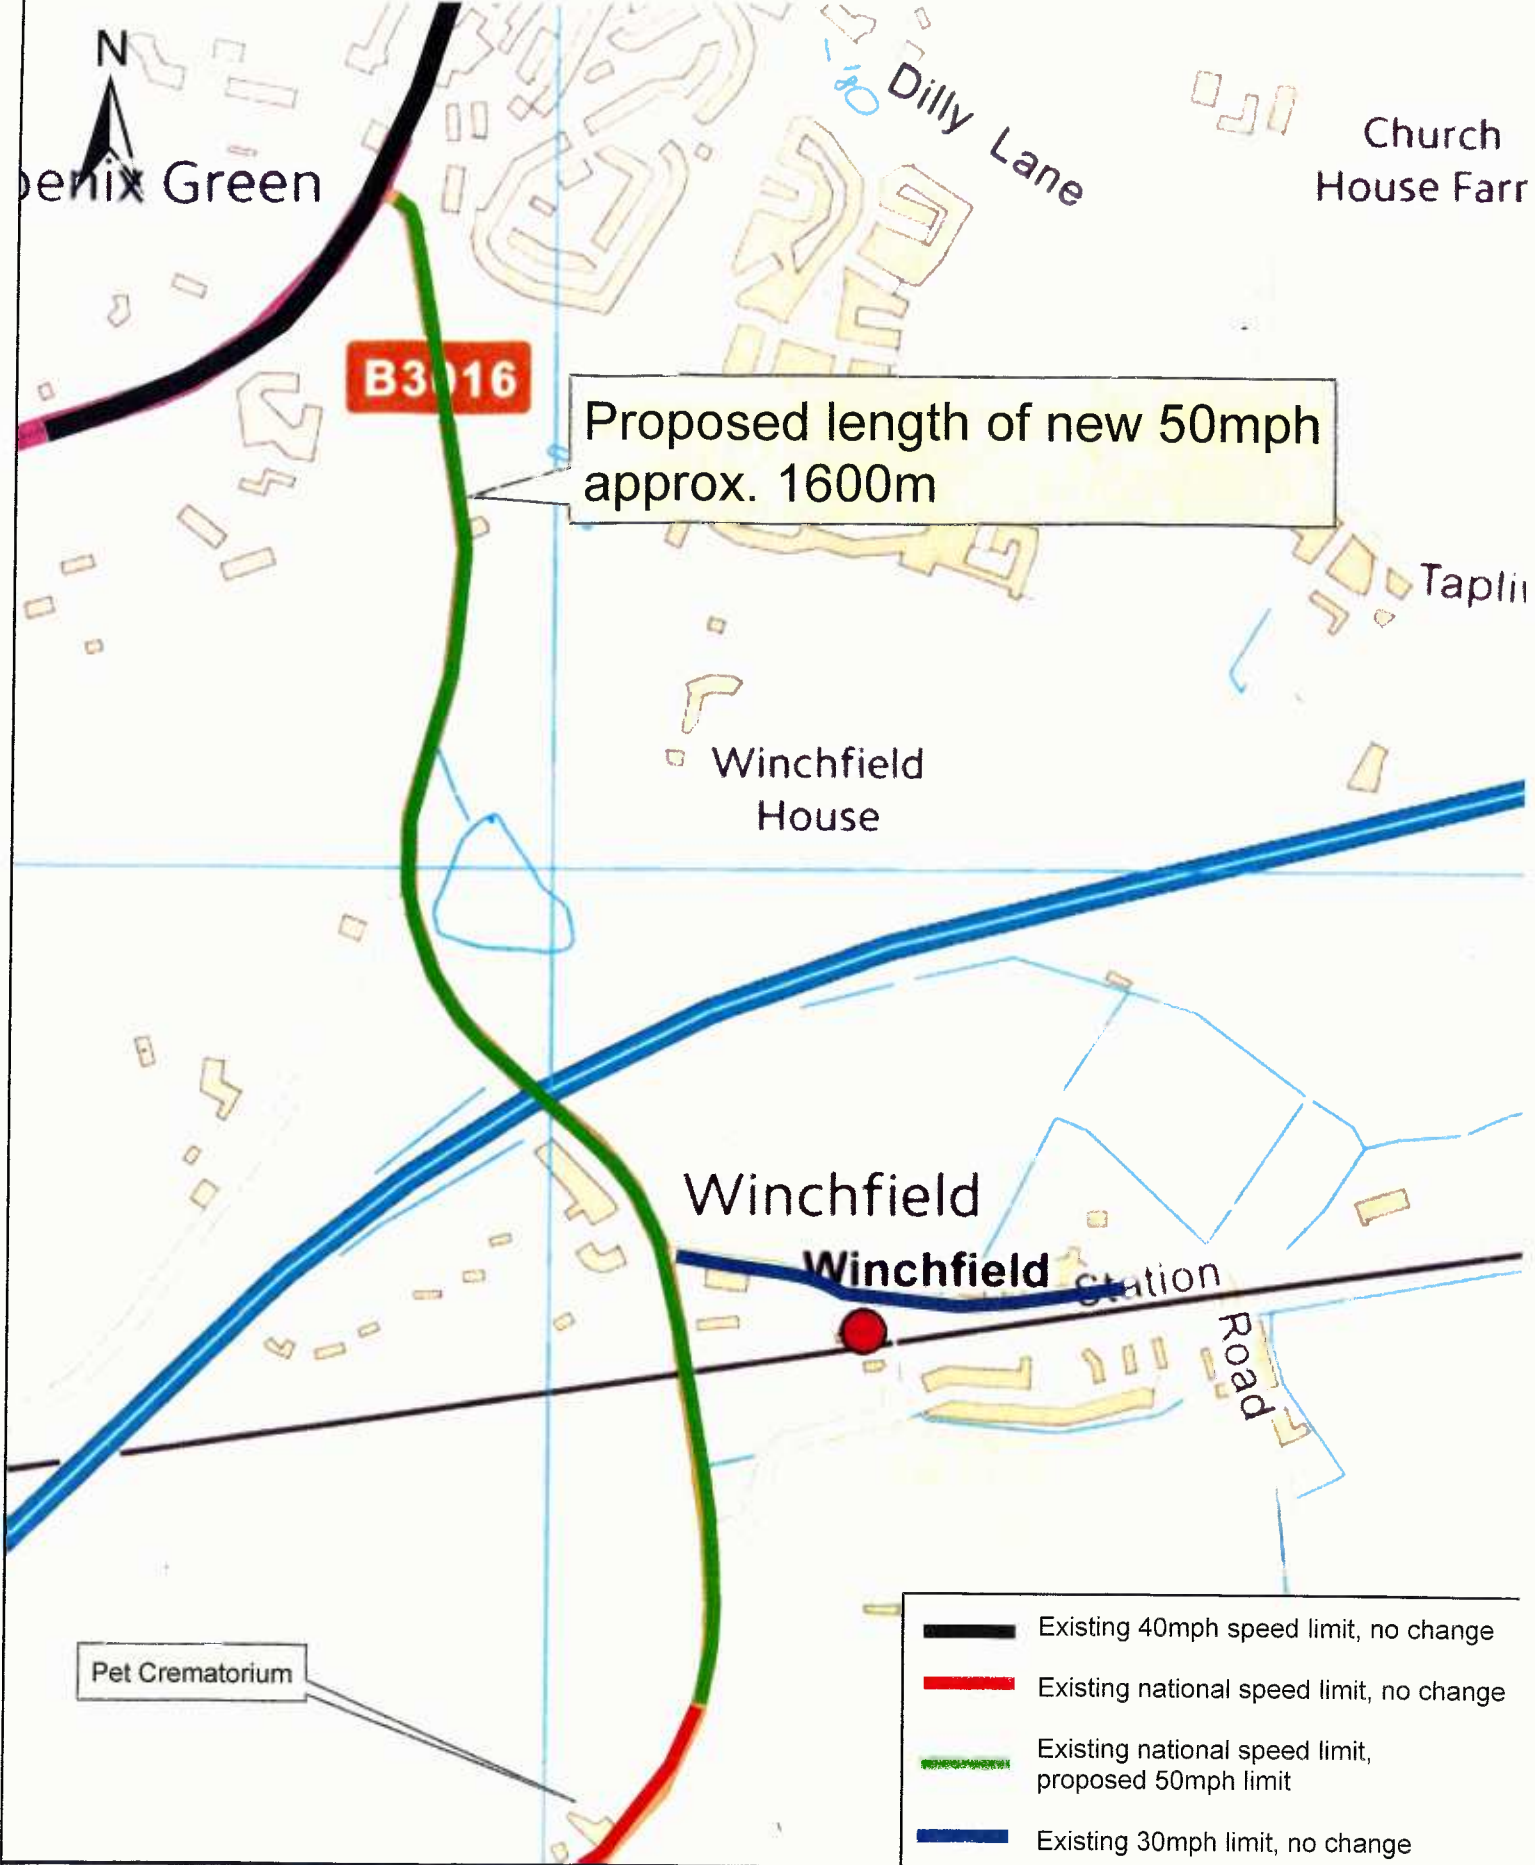

7. Supporting information:

7.1. Local Member, Councillor J Glen supports the proposal

7.2. Police – do not object to the proposal

7.3. File C774, map, draft order
