#### 1. The decision:

- 1.1. That the Director approves the details of the A32 Gosport Road, Hoeford, Fareham Toucan Crossing, as set out in this paper.
- 1.2 That the Director gives approval to procure, spend and enter into necessary contractual arrangements to implement this scheme, at a total estimated cost of £157,605 to be funded from developer contributions and Local Transport Plan (LTP) funding.

#### 2. Reason(s) for the decision:

- 2.1. To improve connectivity and accessibility for pedestrians and cyclists by providing a link from existing cycle infrastructure along the A32 Gosport Road to the Bus Rapid Transit (BRT) Busway at the Hoeford stop.
- 2.2. The decision supports the Hampshire County Council corporate strategy policies of "Making Hampshire more safe and secure for all" and "Maximising wellbeing".

#### 3. Other options considered and rejected:

- 3.1 The only other option considered was to 'do nothing'. However due to the limited crossing opportunities for pedestrians on the A32 Gosport Road, and the desire to provide cycle linkages to and from the BRT Busway, doing nothing was rejected as an option.

#### 4. Conflicts of interest:

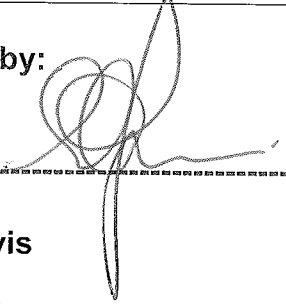

- 4.1. Conflicts of interest declared by an Executive Member who is consulted by the officer which relates to the decision: None

#### 5. Dispensation granted by the Head of Paid Service:

- 5.1. None.
