### 1. The decision:

1.1. That a slight amendment to a traffic calming scheme be implemented under the Highways Act 1980, the effect of which will be to relocate an existing road hump which will have a height of 75mm and a length of 4.7 metres plus gradient/ramp lengths of 1.5 metres, and a width of 5.5 metres to be located between a point 39.5 metres south of the junction of Cliddesden Road with Sheppard Road and a point 23.7 metres north of its junction with Golden Lion Roundabout.

### 2. Reason for the decision:

- 2.1. No objections or representations were received in response to the public consultation which took place between 11 March and 05 April 2016.
- 2.2. To comply with the 1980 Act it has been necessary to advertise the current position of the hump following completion of recent roads works which had resulted in the hump being replaced at a slightly altered location.

### 3. Other options considered and rejected:

3.1. None

### 4. Scheme Funding:

4.1. Operation Resilience

### 5. Conflicts of interest:

5.1. None

### 6 Dispensation granted by the Head of Paid Service:

6.1. None
