2. Reason(s) for the decision:

- 2.1. Planning consent for development of the Land at Eveley Farm, Stevens Drove, Houghton, Stockbridge, Hampshire, SO20 6SA was obtained from Test Valley Borough Council under reference 15/00094/FULLS.
- 2.2. In order to mitigate the development, highway improvements are required. The developer has submitted and gained approval to a design for the works consisting of;
 - Passing places on Broughton Road
 - Junction improvements to A30/ Broughton Road
 - Access off Broughton Road to the site.
- 2.3. The completion of the Section 278 Agreement enables the developer to undertake the highway works, in accordance with the terms and conditions that the County Council has stipulated. The works are considered to provide public benefit.

- 2.4. The County Council has agreed that following completion of the works and a one-year maintenance period to thereafter maintain the works as public highway.
- 2.5. The full cost of the works, including any costs to the County Council in facilitating the works, will be met by the developer under the terms of the Agreement.

3. Other options considered and rejected:

Not to agree to enter into the agreement

- 3.1. This option was considered but dismissed on the basis that the applicant has demonstrated that the proposed works can be constructed in a safe manner and to an acceptable standard, that planning consent for the development including access exists, and that the works will provide essential access to the development site.
