Officer Decision Record

Decision Maker:	Adrian Gray
Title:	Traffic Order Proposal – Experimental Prohibition of Right Turns at Church Crookham
Reference:	

Tel: 01962 846892

Email: adrian.gray@hants.gov.uk

1. The decision:

- 1.1. That an experimental traffic order be implemented under the Road Traffic Regulation Act 1984, the effect of which will for a period of 18 months prohibit vehicles from making right turn manoeuvres from C156 Aldershot Road into A323 Fleet Road at Church Crookham.

Exemptions will be in place for emergency service vehicles.

2. Reason(s) for the decision:

- 2.1. This proposal is intended to simplify available vehicle manoeuvres at the junction to reduce the number of serious personal injury accidents and ease safety concerns. The proposal follows the investigation of a potentially fatal accident and examination of the injury accident history at the junction.

3. Other options considered and rejected:

- 3.1. Options of 'do nothing' and high cost measures such as signal control were considered.

The number of serious collisions within the five year personal injury accident record would not countenance a 'do nothing' situation. Current cost benefit analysis and budget constraints could not justify the pursuit of high cost measures at this time.

4. Scheme Funding:

- 4.1. Capital or Maintenance / Revenue [delete where appropriate]

5. Conflicts of interest:

- 5.1. None

6. Dispensation granted by the Head of Paid Service:

- 6.1. None

7. Supporting information:

7.1. Local Member, Councillor Charles Choudhary supports the proposal

7.2. Police have no objections

7.3. File A978, map and draft order
