1. The decision:

1.1. That a Traffic Order be implemented under the Road Traffic Regulation Act 1984, the effect of which will be to reduce the existing 40 mph to 30 mph (Restricted Road status) on A32 Gosport Road between its junction with Salterns Lane and the boundary between the Borough of Fareham and the Borough of Gosport.

2. Reasons for the decision:

2.1. As a result of the A & B Roads speed limit review, a number of sections of road have been identified as having an excessively high collision rate occurring along their length.

Given the varied nature of each road it is therefore proposed to reduce the speed on each road as necessary, in order to reduce the accident rate and increase overall safety.

Traffic speed surveys undertaken within the proposed 30 mph limits along the A32 Gosport Road, Fareham revealed mean average speeds which ranged between 24 and 32 mph. This supports the proposal to reduce the existing 40 mph section on the A32 between Salterns Lane and the borough boundary.

3. Other options considered and rejected:

3.1. None

4. Previous Orders

4.1 In addition, the Traffic Order shall contain the same provisions as set out in 'The Urban District of Fareham (40 Miles Per Hour Speed Limit) (No.1) Order 1962 and shall revoke that Order.

6. Dispensation granted by the Head of Paid Service:
