1. The decision:

- 1.1. That a traffic order be implemented under the Road Traffic Regulation Act 1984, the effects of which will be to impose a new 50mph speed limit and extend the existing 40mph at Crookham Village as follows:

40mph – existing de-restricted

Crondall Road, between a point at the southern end of the existing 40mph limit 43 metres south of its junction with Zephon Common Lane and a point 300 metres south of that point.

50mph – existing de-restricted

Crondall Road, between its junction with the A287 Farnham Road and a point 855 metres north thereof, (i.e. the southern end of the 40mph limit specified above).

- 1.2. The order will also revoke and reinstate the provisions contained in The Hampshire (Crondall Road, Crookham Village) (30 and 40 Miles Per Hour Speed Limit) Order 2010 except where specified above.

2. Reasons for the decision:

- 2.1. No objections or representations were received in response to the public consultation which took place between 24 October and 14 November 2014.
- 2.2. A change in speed limit is being proposed as part of wider traffic management improvements – agreed through consultation with local residents - on Crondall Road, Crookham. The speed limits are designed to calm traffic speed on the approach to Crookham and to provide consistency with other speed limits in the wider area.

3. Other options considered and rejected:

- 3.1. None

4. Conflicts of interest:

4.1. None

5. Dispensation granted by the Head of Paid Service:

5.1. None
