Dear Emma, thank you for forwarding a copy of the Inspector's report.

I am perturbed to read that the Inspector has not been mentioned four of my witnesses, namely Sharon Barrett, Malcolm Green, John Cooper and Graham Brailey in his report and that he stated that I provided 22 adult witnesses when 26 adult witnesses actually spoke for the Application.

I would be grateful if you could clarify the reason for this omission with the Inspector.

Many thanks  
Cathy Baker

Dear Sir/Madam

Please find enclosed a copy of the Inspector's Report prepared on behalf of the commons registration authority in this matter.

It is disclosed to you on a confidential basis and should not be disclosed to third parties as it contains recommendations to the commons registration authority who ultimately have to determine this application.

If you have any comments upon the contents of the Report, I should be grateful to receive these by no later than midday on Wednesday 6 October 2010.

I am looking at preparing a Report with a view to presenting it to the Regulatory Committee on 27 October.
