

Hall & Burge Barton Farm

The attached map shows the *official* public footpaths at Barton Farm (shown red on the map).

As many of you know, we also allow walkers to use some of the farm tracks as unofficial footpaths (shown green on the map).

In order that we can continue to allow you to walk these unofficial footpaths we have to safeguard them from becoming permanent rights of way by closing them to the public for just one day per year.

This farm track will therefore be
CLOSED TO THE PUBLIC FOR JUST ONE DAY,
TUESDAY 23rd MARCH '99

Thanking you for your cooperation ,
Mike Burge (01962 854219)
