1. The decision: (PROPOSED)

1.1. To consider the following recommendation reported to the Buildings, Land and Procurement Panel on 11 January 2011:

- a) That the project proposals for extensive remodelling and refurbishment works to be undertaken at Havant Academy, at an estimated total cost of £8,678,000 (including fees) be approved.

2. Reason(s) for the decision:

- 2.1. The project proposals will maximise wellbeing for both pupils, staff and the local community, as the scheme will promote the core values of the Academy, which are excellence and inclusion. The Academy currently serves the most disadvantaged area of Hampshire and it is hoped that the Academy will significantly reduce the inequalities that currently exist in the local area.
- 2.2. The project proposals will enhance the quality of place by providing a modern educational establishment, which will serve as an integral part of its local community.

3. Other options considered and rejected: None.

4. Conflicts of interest: None.

5. Dispensation granted by the Standards Committee: None.

6. Reason(s) for the matter being dealt with if urgent: Not applicable.
