

WINCHESTER : TRAFFIC MANAGEMENT PROGRAMME 2010/2011 - FIXED PROGRAMME

TABLE 12

TRAFFIC MANAGEMENT REQUESTS, INVESTIGATIONS AND PROJECTS

SPEED LIMITS

NO	REF	PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OFCR	PROGRESS
1	425	BEAUWORTH		speed limit review - 30mph requested	requested by residents, no parish council for village	Hindson		CARRY FORWARD
2	391	COLDEN COMMON	Colden Common to Twyford	speed limit review	Would like 50mph between Colden Common and Twyford. Allbrook turning still giving problems and entrance and exit of house just past junction. Many near misses. Also route review to be included in A and B road speed limit reviews to be carried out by 2011.	Mason	CG	CARRY FORWARD - to be discussed with Police.
3	325	CRAWLEY	B3049, Stockbridge Road - Rack and Manger	speed limit review	Report that overtaking through junction is cause of concern. Also route review to be included in A and B road speed limit reviews to be undertaken by 2011. Speed limit and overtake issue to be considered.	Bailey		CARRY FORWARD - Safety Engineering Team now considering.
4	396	HURSLEY	Ladwell	40mph speed limit review	Accidents on stretch of road between Chandlers Ford and Romsey Road junction. 40mph limit at either end - consider linking. Councillor comments - request for 40mph (or possible 30mph) on a narrow busy road with an accident history. Requested for years and supported by Parish Council.	Bailey	CG	CARRY FORWARD - Under investigation - traffic surveys being arranged.

5	459	OTTERBOURNE	Otterbourne Road, Shawford (extending to Compton)	speed limit review	request for 30mph to be extended. Councillor comments - road is busy and residential with young families. In last three years frequent requests for lower speed limit. Increase in development with six new directly accessed homes and 50 homes accessed from side roads. COMPTON - residents request 30mph as there is a busy junction, school traffic and area used by cyclists and pedestrians.	Bailey	CG	CARRY FORWARD - Under investigation - updated traffic surveys being arranged.
6	239	SHEDFIELD	B2177 - between Shedfield and Waltham Chase	speed limit review	Consideration being given to extension of 30mph at south end near school crossing patrol site to reduce the visibility of the derestriction signs from the crossing site. Also considering the speed limit linking Waltham Chase and Shedfield. Feasibility study being undertaken by Winchester City Council for refuge near brook, and relocation of school crossing patrol being considered.	Hindson	MCW	CARRY FORWARD - <u>SPEED LIMIT:</u> Traffic Order advertised 18 June to 10 July. No objections and approved. Consultation on gateway treatment to be undertaken prior to setting operation date and ordering works. <u>PEDESTRIAN REFUGE:</u> Winchester City Council have undertaken feasibility study and preliminary safety audit. Possibilities for School Crossing Patrol to relocate to new refuge. Funding options being explored for provision - some funding secured but not whole amount.
7	367	TWYFORD	Hazeley Road and Bourne Lane	speed limit review	For Bourne Lane - Elderly residents and prep school, no pavements and two sharp bends. Residents report that speeds are dangerously fast and use route as rat-run. Extension to 30mph speed limit requested.	Mason	CG	CARRY FORWARD - Under investigation - discussions with Police ongoing.

8	476	WALTHAM CHASE	Pricketts Hill	speed limit review	request for 30mph to be considered. Councillor comments - requested by residents and Shedfield Parish Council.	Hindson		CARRY FORWARD
9	360a	WINCHESTER	Sarum Road and Kilham Lane	30mph speed limit extension request	road safety concerns, incidents reported of pedestrians being clipped and having to jump to safety, 1 serious pia recorded at junction of two roads, near Kings School	Dickens	SW	CARRY FORWARD - Proposals developed and consulted on. To be advertised.
10	360b	WINCHESTER	Sarum Road and Kilham Lane	30mph speed limit extension request	road safety concerns, incidents reported of pedestrians being clipped and having to jump to safety, 1 serious pia recorded at junction of two roads, near Kings School	Bailey	SW	CARRY FORWARD - Proposals developed and consulted on. To be advertised.
11	320a	WINCHESTER	Andover Road	speed limit review	to be included within county wide A and B road speed limit review to be carried out by 2011.	Dickens Bailey		CARRY FORWARD
12	415	WINCHESTER	Romsey Road and Chilbolton Avenue	speed limit review	will be included in county-wide A and B road speed limit reviews to be carried out by 2011.	Dickens		CARRY FORWARD

TRAFFIC MANAGEMENT, SIGNING AND ROAD MARKINGS

NO	REF	PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OFCR	PROGRESS
13	318	BIGHTON AND GUNDLETON	from A31 to Bighton via Gundleton	concern over SATNAV direction through unsuitable routes. Request for width limit under narrow railway bridge.	Lorries have become stuck travelling round tight bend at a cross roads. Councillor comments - has led to damage of bridge, farm, household property, telephone lines. In Woodmancote led to 1.5 hour ambulance delay after it got stuck. In Hunton has led to repeated damage to small bridge, roads and verges. In Wonston (Alresford Drove) has led to road damage and large lorries skirting old properties. In Micheldever Station has led to damage and delays as lorries get stuck accross bridge. Possible sat nav issue - advisory 'unsuitable for..' signing at Bishops Sutton End.	Porter		CARRY FORWARD
14	498	CURDRIDGE	A334, Reading Room Lane and Outlands Lane	traffic speed	Councillor comments - Parish concern over planned development north of Hedge End.	Mason		CARRY FORWARD
15	505	DENMEAD	Newlands Road/Closewood Road	Heavy Commercial Vehicle use due to Major Development Area works	request for weight restriction in longer term, but 'unsuitable for HGV' signs to be placed in short term. Councillor comments - complaints from residents received that construction in Major Development Area has increased and will continue to increase. Closewood Road is seen as a route to avoid delays due to development. Residents request a speed limit reduction as a way of improving safety and reminding rat-runners that it is a residential area. Would support all three corporate priorities.	Allgood	CP	2009/10 PRIORITY 1: <u>ADVISORY SIGNING</u> : <u>COMPLETE</u> CARRY FORWARD - <u>WEIGHT RESTRICTION</u> : Investigations being concluded.

16	285	WICKHAM	A32 Hoads Hill	issue with residents right turning to access properties - accident history, plus speed limit review	road layout changes to remove centre lane and provide right turning facilities with limited number of islands to be considered further, business case for feasibility study may be necessary - Traffic Management/Safety Engineering Team joint initiative, some opposing views to lane closure. Also include speed limit review. Councillor comments re speed limit review - Speed limit review from 50mph to 40mph or 30mph if possible, residents are asking for speed limit reduction to 30mph but it may not be sustainable, 40mph could be feasible, link with lane closure project, supported by Parish Council.	Allgood	MCW	CARRY FORWARD - FEASIBILITY LANE CLOSURE - Feasibility funding secured for study - meeting to discuss options held with SET and Police - 10 year accident history investigated. Feasibility study being completed by consultant, Mott Gifford. Study to be complete by 31 March.
17	464	WINCHESTER	Romsey Road near St James Terrace	request for pedestrian crossing	Councillor comments - requests from residents	Dickens		CARRY FORWARD

TRAFFIC REGULATION ORDERS

NO	REF	PARISH	LOCATION	ISSUE	NOTES	CTY MEM	OFCR	PROGRESS
18	467	DURLEY	Durley Brook Road	7.5 tonne weight restriction request	Parish Council concern over planned development north of Hedge End. Winchester City Council have completed a preliminary survey.	Mason	CP	CARRY FORWARD - Traffic surveys complete and investigations being concluded.
19	394	SUTTON SCOTNEY	Stockbridge Road	road closure request	Parish Council would like to consider this with re-look at closure of Stockbridge Road and new built environment for village centre to aid pedestrians. Councillor comments - change in circumstances: (i) Naomi House now accommodates teenagers who may wish to walk or be taken out (ii) staff drive as road is poorly lit without path (iii) a childrens day nursery is being established, opening Sept 09 (iv) circumstances of Taylors Yard planning approval has not been achieved (v) measures put in previoulsy have not worked.	Porter	MCW	CARRY FORWARD - Traffic surveys for speed and volume, plus turning counts completed. Data analysed and further surveys to be undertaken in May June to establish level of increased use.
