

## Appeals data September 2025 entry - primary, infant and junior schools

This table shows, by school, the number of individual admission appeals heard for entry to Year R and Year 3 in September 2025 and the number of these which were upheld (i.e. the parent's appeal was successful).

Independent appeals for admission to community and controlled primary, infant and junior schools are organised by Hampshire County Council, whilst independent appeals for admission to foundation, aided and academy schools are organised by the school's governing body.

Where a community or controlled primary, infant or junior school is not shown in the list there were no appeals heard. Not all foundation, aided or academy schools have provided appeals information to date, therefore, where a foundation, aided or academy school is not shown in the list it does not necessarily indicate that no appeals were heard. Please refer to the individual school for further information

School	Type of School	September 2025
