

Allocation of secondary school places for September 2017

Abbreviations used:

PAN - Published Admission Number

SEN - Special Educational Needs

EHCP - Education, Health and Care Plan

The table below shows the number of on-time applications (first, second and third preference) received for each secondary school in Hampshire. It also shows how many places were available (PAN) and the number of places offered on the national notification date (1 March 2017). A breakdown of the places offered places by admission criteria is also included for all community and voluntary controlled schools and any academies, foundation or aided schools following the same criteria. For all other schools, the breakdown can be obtained from the school. Each school's admission criteria can be found in their admission policy, available to view on the school's details page at: www.hants.gov.uk/educationandlearning/findaschool.

The 'Allocated' column shows the number of children who were allocated a place at the school by the Local Authority because the parent was unsuccessful in gaining a place at any of their preferred schools and this was the catchment or nearest school with a place available. For oversubscribed schools, the last column shows the distance (measured as a straight line) of the last child offered a place. *Please note that patterns of applicant data may not be repeated in subsequent years.*
