

## Technical Construction Skills Project

Winchester

Basingstoke

Aldershot

Guildford

Since May 2021, TCS has helped 1000+ people from a wide range of backgrounds to access technical training and jobs. At 4 training centres, TCS continues to support unemployed people to gain skills, qualifications, confidence and work opportunities that change their lives and those of their families. The project team are proud to have built such strong partnerships across the EM3 LEP area over the two years, which have enabled referral routes and career pipelines outcomes for our communities. We'd like to thank all of our partners for their continued collaboration and support.

### TCS delivery ends Christmas 2023!

All ESF funding is coming to an end and, sadly, TCS is no exception. As we near its closure, we've been reflecting on the wider social impact of the project; over 300 job outcomes that we can compliantly evidence is the 'tip of the iceberg'. The project has many positive outcomes aside those that secured employment. For instance:

- ◇ 275 participants declared a Special Educational Need or Disability we supported closer to employment and financial independence.
- ◇ 164 Ex-offenders engaged, making employment a reality and reoffending less likely.
- ◇ At least 39 homeless individuals took training opportunities, many gained employment as a result, others found housing solutions either formally or via support networks built whilst on the course.
- ◇ Over 300 young people that are 'NEET' actively engaged in the TCS opportunities around them.
- ◇ Nearly 50 young people leaving care have taken up the project opportunities, as have 9 teenaged parents, creating more secure futures for themselves and their young families.

**BREAKING NEWS.....TCS has a partner project, funded by CITB:**

**CYF Construct Your Future**

An initiative to support improved job retention rates for new starters in the construction sector...get in touch to find out more!

**TCS Team:** as ever, we'd love to hear from you with your ideas/requests...

I've been working for an agency since finishing the course. I have been offered numerous jobs because of my CSCS card. So the course was well worth doing!

I'm in the same job as I started last December...

I've been in work since a week after finishing the course, so the course helped me find the work I needed...

I've been working constantly since the course....

I've been a labourer for 39 weeks solid now....

Hampshire County Council's Technical Construction Skills project offers free training and opportunities for anyone unemployed and over 18.

All courses are run as '**SWAPS**' and include an interview opportunity

- ⇒ All courses offer a CSCS card and many have other add-ons, including: traffic marshal, MMC awareness, working at heights, abrasive wheels
- ⇒ Coordinators support candidates to attend courses and into employment after achieving the CSCS card + H&S Level 1 certificate
- ⇒ Several construction sites host the courses, enabling achievement of ESP KPIs
- ⇒ Access to a Job retention project is now active, supporting new starters to sustain work in the sector

### Training dates currently available:

7 <sup>th</sup> - 11 <sup>th</sup> September	Winchester	CSCS with Traffic Marshal
18 <sup>th</sup> - 22 <sup>nd</sup> September	Basingstoke	CSCS with intro to Modern Methods of Construction
13 <sup>th</sup> - 20 <sup>th</sup> September	Guildford	CSCS
25 <sup>th</sup> - 29 <sup>th</sup> September	Aldershot	CSCS with Street Works tickets
16 <sup>th</sup> - 20 <sup>th</sup> October	Basingstoke	CSCS with intro to Modern Methods of Construction
23 <sup>rd</sup> - 30 <sup>th</sup> October	Guildford	CSCS
15 <sup>th</sup> - 22 <sup>nd</sup> November	Guildford	CSCS
20 <sup>th</sup> - 24 <sup>th</sup> November	Basingstoke	CSCS with intro to Modern Methods of Construction

**Others may be confirmed shortly. Please check on website:**
