

Allocation of Year 3 school places for September 2023

Abbreviations used:

PAN - Published Admission Number

EHCP - Education Health and Care Plan

RP - Resourced Provision. Some schools have places specifically reserved for children with an EHCP admitted to their specialist Special Educational Needs provision

Inc. - Including

N/A - Not Applicable

The table below shows the published admission number (PAN) for entry to Year 3 in September 2023 for each junior school in Hampshire, the total number of applications received (first, second and third preference) and the number of offers made on the national notification date (17 April 2023). The 'Allocated by LA' column refers to children who were unsuccessful in gaining a place at any of their preferred schools and were offered a place at the school by the local authority because it was their catchment or nearest school with a place available. The 'Refused' column shows the number of children who were refused a place and not offered a place at a higher preference named school.

Hampshire County Council is the admission authority for all community and controlled junior schools and a breakdown of the numbers of places offered, by admission criteria, is also provided for these schools. For oversubscribed schools, the distance of the last child offered a place (measured in miles as a straight line) is shown. Information about the breakdown of places at other types of school (Academies, Aided and Foundation schools), should be obtained from the school directly.

Some of Hampshire County Council's junior schools are federated with their linked infant school. Federation is defined in law as two or more maintained schools operating under the governance of a single governing body. Hampshire's admissions policy for junior schools that are federated with their linked infant school gives priority to children attending the linked infant school, to reflect this special arrangement. The offer day snapshot for federated junior schools is listed separately, below. Each school's admission policy sets out how places are allocated when there are more applications than places available. You can view the admission policy for any school by visiting their school details page at: www.hants.gov.uk/educationandlearning/findaschool
