

Allocation of Year 3 school places for September 2026

The table below shows how many on-time Hampshire applicants were successful in gaining a place at their 1st, 2nd or 3rd preference school. It also shows how many were unsuccessful in gaining a place at their preferred schools and were allocated a place by the Local Authority at their catchment school (if places remained) or the nearest school with space.

1st preference	2nd preference	3rd preference	LA Allocated	Total no. children
6728	46	1	25	6800
98.94%	0.68%	0.01%	0.37%	

The following table provides information about how places were offered on the national offer day (16 April 2026) at each Hampshire Junior school. This includes the published admission number (PAN) for each school, the total number of applications received (first, second and third preferences), the number of offers made and for oversubscribed schools, the distance of the last child admitted, as well as the number of children refused a place. The 'Allocated by LA' column refers to children who were unsuccessful in gaining a place at any of their preferred schools and were allocated a place by the local authority because it was their catchment school (and places remained) or the nearest school with a place available.

All places have been allocated in accordance with each schools published admission policy which can be found at:

www.hants.gov.uk/educationandlearning/findaschool

Hampshire County Council is the admission authority for all community and voluntary controlled schools and therefore is able to provide a breakdown of places offered by admission criteria for these schools. For all other types of school, the admission criteria may vary from that shown below. Please contact the school directly for a breakdown of their offers by criteria.
