Incl. - Including

N/A - Not Applicable

The table below shows the published admission number (PAN) for entry to Year 7 in September 2022 for each secondary school in Hampshire, the total number of applications received (first, second and third preference) and the number of offers made on the national notification date (1 March 2022). The 'Allocated by LA' column refers to children who were unsuccessful in gaining a place at any of their preferred schools and were offered a place at the school by the local authority because it was their catchment or nearest school with a place available. The 'Refused' column shows the number of children who were refused a place and not offered a place at a higher preference named school.

Each school's admission policy sets out how places are allocated when there are more applications than places available. You can view the admission policy for any school by visiting their school details page at: www.hants.gov.uk/educationandlearning/findaschool

Hampshire County Council is the admission authority for all community secondary schools and a breakdown of the number of places offered, by admission criteria, is also provided for these schools, as well as any Academies, Foundation, Aided and Trust schools following the same admission criteria. Schools where children have been refused a place, the distance of the last child offered a place (measured in miles as a straight line) is shown *. The breakdown of offers by admission criteria for other Academies, Aided, Foundation and Trust schools) can be requested from the school.

* The priority order of the criteria for own admission authority schools may differ slightly from the order shown below. Please refer to the school's admission policy for their priority order
