

Allocation of Year R school places for September 2019

Abbreviations and symbols used:

PAN - Published Admission Number

EHCP - A child with an Education Health and Care Plan naming the school

* - Places reserved within the PAN for the school's Special Educational Needs Resourced Provision. If not these places are not filled by the County SEN team, they will be released to become mainstream places on Tuesday 11 June 2019

The table below shows the published admission number (PAN) for entry to Year R in September 2019 at each primary or infant school in Hampshire, the total number of applications received (first, second and third preference) and the number of places offered on the national notification date (16 April 2019). The 'Allocated' column refers to children who were unsuccessful in gaining a place at any of their preferred schools and were offered a place at the school by the local authority because it was their catchment school or nearest school with a place available. The 'Refused' column shows the number of children who were refused a place and not offered a place at a higher preference named school.

Hampshire County Council is the admission authority for all community and controlled primary or infant schools and a breakdown of the numbers of places offered, by admission criteria, is also provided for these schools. For oversubscribed schools, the distance of the last child offered a place (measured in miles as a straight line) is shown. Information about the breakdown of places at other schools (Academies, Foundation, Aided and Trust schools), should be obtained from the school directly.

Each school's admission policy sets out how places are allocated when they are more applications than places available. You can view the admission policy for any school by visiting their school details page at: www.hants.gov.uk/educationandlearning/findaschool
