

Allocation of Year R school places for September 2021

Abbreviations used:

PAN - Published Admission Number

EHCP - Education Health and Care Plan

RP - Resourced Provision. Some schools have places specifically reserved for children with an EHCP admitted to their specialist Special Educational Needs provision

Inc. - Including

N/A - Not Applicable

The table below shows the published admission number (PAN) for entry to Year R in September 2021 for each infant or primary school in Hampshire, the total number of applications received (first, second and third preference) and the number of offers made on the national notification date (16 April 2021). The 'Allocated by LA' column refers to children who were unsuccessful in gaining a place at any of their preferred schools and were offered a place at the school by the local authority because it was their catchment or nearest school with a place available. The 'Refused' column shows the number of children who were refused a place and not offered a place at a higher preference named school.

Each school's admission policy sets out how places are allocated when there are more applications than places available. You can view the admission policy for any school by visiting their school details page at: www.hants.gov.uk/educationandlearning/findaschool

Hampshire County Council is the admission authority for all community and controlled infant or primary schools and a breakdown of the number of places offered, by admission criteria, is also provided for these schools. For oversubscribed schools, the distance of the last child offered a place (measured in miles as a straight line) is shown. The breakdown of offers by admission criteria for other schools (Academies, Aided, Free and Foundation schools) can be requested from the school.
