
EMTAS Training for NQTs and RQTs 2020-21

Hampshire EMTAS offers various a range of training to Newly Qualified and Recently Qualified teachers.

Run by the Hampshire EMTAS Specialist Teacher Advisor Team, a series of network meetings aimed at NQTs and RQTs provide opportunities for school-based practitioners to discuss key aspects of practice and provision in relation to pupils for whom English is an Additional Language and pupils from Gypsy, Roma and Traveller backgrounds.

In addition to the network meetings, the EMTAS EAL e-learning modules provide 'the basics' in relation to good practice for learners of English as an Additional Language. For information on how to access our e-learning, see the [EMTAS website](#) or [Moodle](#).

For staff working in Hampshire-Maintained schools or in subscribing Academies, the above training is available free through the Service Level Agreement. For staff working in other settings, the training can be access through EMTAS Sold Services.
