1.0 Introduction

This policy refers to all Hampshire Outdoors (HO) provision.

We welcome and value all learners and staff regardless of individual differences in age, disability, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sex, or sexual orientation. We are committed to realising the ambitions of our communities by raising aspirations and enabling achievement. We promote equality, diversity and inclusion through education and learning. We actively challenge behaviour that does not align with our values of being an inclusive learning environment. We treat everyone with dignity and respect. Compliance with this policy should ensure that colleagues do not commit acts of discrimination.

HO also encompasses the wider Hampshire County Council's Corporate Equality, Diversity and Inclusion practices ensuring that all people in the Organisation enjoy being part of strong, inclusive employer, and that it continues to be an inclusive employer with a diverse workforce.

The County Council will support the aims of the Equality Duty by seeking to:

- Ensure that services are inclusive and diverse, proactively increasing understanding between and within communities;
- Attract and retain a diverse workforce, with equal opportunities for career progression;
- Ensure Zero Tolerance of harassment, discrimination, bullying and abuse, dealing effectively with incidents when they occur.

This policy sits alongside and supports all HA Policies and Procedures.

2.0 Legal Framework

This Equality, Diversity & Inclusion Policy is based on the Equality Act 2010, which defines the nine protected characteristics as:

- Age
- Disability
- Gender
- Gender Reassignment
- Marriage & Civil Partnerships
- Pregnancy and Maternity
- Religion and Belief
- Race
- Sexual Orientation

Whilst all nine protected characteristics apply in the employment duties of the Act, the characteristic of marriage and civil partnerships is not included in the education duties of the Act. It is unlawful to either directly or indirectly discriminate against a person on these grounds.

All learning providers should ensure that information and knowledge about discrimination, equality, wellbeing, personal safety, and security are conveyed and embedded in the curriculum and are supported by the culture of the organisation, corporate and individual behaviour.

3.0 Equal Opportunities for staff

Hampshire County Council will avoid unlawful discrimination in all aspects of employment including recruitment, promotion, and opportunities for training, pay and benefits, disciplinary, grievance, and selection for redundancy. Candidates for employment or promotion will be assessed objectively against the requirements for the job, taking account of any reasonable adjustments that may be required for candidates with a disability.

Hampshire County Council will monitor the ethnic, gender and age composition of the existing workforce and of applicants for jobs (including promotion), and the number of people with disabilities within these groups and will consider and take any appropriate action to address any barriers / bias that may be identified as a result of the monitoring process.

Colleagues should report any bullying, harassment, or victimisation (including of learners, parents / carers) or others, to their manager who will take appropriate action in line with Hampshire County Council processes.

For further information, staff should see the Council's Hantsnet pages.
