Payslips and Pensions

Do you need help understanding your payslip?

If you are working and receive a payslip, Multiply is running a FREE 2-hour course to help you understand the terminology used and identify any misconceptions. By the end of this course, you will understand the deductions that have been made and identify any errors.

Course Content

- Explore gross & net income
- Understand how overtime is presented on a payslip (time and a half)
- Identify National Insurance contributions
- Identify and understand income tax deductions
- Understand pension contributions
- Explore tax codes and tax brackets

Contact

If you would like to register your interest in this course, please email multiply@hants.gov.uk

Courses are aimed at adults aged 19 and over who do not currently have a Level 2/GCSE maths at grade 4 (previously known as grade C) or for those who think it will help their career progression to go back into learning.
