Supermarket Spies

Can you work out the best offers?

BOGOF, 1/3 off, 2 for 3, 25% off, with so many offers, it's not always easy to know what's the best value for money. Our FREE Supermarket Spies workshop will show some quick and simple calculations to improve your confidence with maths and maybe even save a little on your shopping.

Course Content

- Explore cost and time of ready meals v freshly prepared meals
- Explore the cost and taste of branded vs store/own brand
- Cost of delivery charges at different times of the day vs in store shopping
- Compare loyalty cards - are they worth having?

Contact

If you would like to register your interest in this course, please email multiply@hants.gov.uk

Courses are available for adults aged 19 and over who do not currently have a Level 2/GCSE maths at grade 4 (previously known as grade C) or for those who think it will help their career progression to go back into learning.
