Dear Sir/Madam,

Central and Eastern Berkshire Authorities Joint Minerals and Waste Plan

Thank you for your comments (representation) on the Central and Eastern Berkshire Joint Minerals and Waste Plan – Regulation 19 Proposed Submission Plan Consultation.

All representations will be recorded separately. Following the closure of the consultation, we will summarise the main issues raised. The consultation summary along with the Plan, its evidence base and all representations will be submitted to the Secretary of State. Following this, the Plan's examination is expected around Spring / Summer 2021.

Details of each respondent and their accompanying representation(s) will be sent to the Secretary of State for consideration when the Central and Eastern Berkshire Joint Minerals and Waste Plan is submitted for the public examination. All documents will be held by each of the Central and Eastern Berkshire Authorities, as well as Hampshire Services and may be published online (representations will be redacted before being published). Documents and representations will be handled in accordance with the Data Protection Act 2018. Once the Plan has been adopted, the data will be returned to the Central and Eastern Berkshire Authorities and they will keep it in line with their relevant corporate retention periods.

Regarding the Plan's examination and related future communications, please confirm your preference(s) from the following list if you have not done so already:

1. Do you request to appear before the Independent Examiner (Planning Inspector) as per Section 20(6) of the Planning and Compulsory Purchase Act 2004?
2. Would you like to be notified when the Joint Minerals and Waste Plan is submitted for independent examination?
3. Would you like to be notified when the Planning Inspector's report is published?
4. Would you like to be notified when the Joint Minerals and Waste Plan is adopted?
