## Central and Eastern Berkshire – Joint Minerals & Waste Plan

### Get involved in planning!

The Central and Eastern Berkshire Authorities (Bracknell Forest Council, Reading Borough Council, The Royal Borough of Windsor & Maidenhead and Wokingham Borough Council) are working in partnership to produce a Joint Minerals and Waste Plan which will guide minerals and waste decision making in the Plan area up until 2036.

The second stage in plan-preparation is the production of a Draft Plan (formerly referred to as Preferred Options). The purpose of this consultation is to engage the community in discussion on managing minerals and waste for the next 20 years. It is also an opportunity to gather more local evidence to determine the plan policies and site allocations.
