

REP 1**Name** Martyn Dadds

Question	Answer
Q2:1 Please indicate below the areas on which you wish to provide a response - I wish to respond to all of section one	I wish to respond to all of section one
Q2:2 Please indicate below the areas on which you wish to provide a response - Introduction	Introduction
Q2:3 Please indicate below the areas on which you wish to provide a response - Background and context	Background and context
Q2:4 Please indicate below the areas on which you wish to provide a response - Spatial vision for minerals and waste, including Strategic Plan Objectives and Spatial Strategy	Spatial vision for minerals and waste, including strategic plan objectives and spatial strategy
Q2:5 Please indicate below the areas on which you wish to provide a response - Key Diagram	Key diagram
Q3 What are your comments on the Introduction?	[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] nor [REDACTED] have been approached for comment or input on these proposals .

REP 1**Name** Martyn Dadds

Question	Answer
Q4 What are your comments on the background and context?	Brookside Nursery in Swallowfield has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] nor [REDACTED] have been approached for comment or input on these proposals .
Q5 Regarding the vision, into which of the following categories does your representation fall? (Support OR No view either way OR Objection)	Objection
Q7:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness	Not meeting the Test of Soundness
Q8:2 If you are objecting to the vision on the grounds that it does not meet the test of soundness, what test of soundness do you consider that it fails (select all that apply) - The justification test	The justification test

REP 1**Name** Martyn Dadds**Question**

Q9 If you are objecting to the vision on the grounds that it does not meet the test of soundness, please include below your comments on how it does not meet the test of soundness

Answer

[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] nor [REDACTED] have been approached for comment or input on these proposals. Objections include:-
Traffic: this development will lead to increased traffic levels in [REDACTED] area. Ecology: [REDACTED] have a precious environment with the wildlife of the local [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the [REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

Q10 Are you seeking a change to the vision? Yes OR No

No

Q13 Regarding the strategic plan objectives, into which of the following categories does your representation fall? (Support OR No view either way OR Objection)

Objection

REP 1**Name** Martyn Dadds

Question	Answer
Q15:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness	Not meeting the Test of Soundness
Q16:2 If you are objecting to the strategic plan objectives on the grounds that they do not meet the test of soundness, what test of soundness do you consider that they fail (select all that apply) - The justification test	The justification test
Q17 If you are objecting to the strategic plan objectives on the grounds that they do not meet the test of soundness, please include below your comments on how the strategic plan objectives do not meet the test of soundness	[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] nor [REDACTED] have been approached for comment or input on these proposals. Objections include:- Traffic: this development will lead to increased traffic levels in [REDACTED] area. Ecology: [REDACTED] have a precious environment with the wildlife of the local [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the [REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

REP 1**Name** Martyn Dadds**Question****Answer**

Q18 Are you seeking a change to the strategic plan objectives? Yes OR No

No

Q21 Regarding the spatial strategy, into which of the following categories does your representation fall? (Support OR No view either way OR Objection)

Objection

Q23:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness

Not meeting the Test of Soundness

Q24:2 If you are objecting to the spatial strategy on the grounds that it does not meet the test of soundness, what test of soundness do you consider that it fails (select all that apply) - The justification test

The justification test

REP 1**Name** Martyn Dadds**Question**

Q25

If you are objecting to the spatial strategy on the grounds that it does not meet the test of soundness, please include below your comments on how the spatial strategy does not meet the test of soundness

Answer

[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] nor [REDACTED] have been approached for comment or input on these proposals. Objections include:-
Traffic: this development will lead to increased traffic levels in [REDACTED] area. Ecology: [REDACTED] have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated [REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

Q26

Are you seeking a change to the spatial strategy? Yes OR No

No

Q29

Regarding the key diagram, into which of the following categories does your representation fall? (Support OR No view either way OR Objection)

Objection

REP 1**Name** Martyn Dadds

Question	Answer
Q31:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness	Not meeting the Test of Soundness
Q32:2 If you are objecting to the key diagram on the grounds that it does not meet the test of soundness, what test of soundness do you consider that it fails (select all that apply) - The justification test	The justification test
Q33 If you are objecting to the key diagram on the grounds that it does not meet the test of soundness, please include below your comments on how the key diagram does not meet the test of soundness	[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] have been approached for comment or input on these proposals. Objections include:- Traffic: this development will lead to increased traffic levels in [REDACTED] area. Ecology: Swallowfield Village & Swallowfield Park have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the [REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

REP 1**Name** Martyn Dadds**Question****Answer**

Q34 Are you seeking a change to the key diagram? Yes OR No

No

Q37:28 This consultation contains 28 policies, including details including details on implementation & monitoring ('supporting text') for each policy. Respond to Policy W4 – Locations and Sites for Waste Management

Policy W4 - Locations and sites for waste management

Q303x Into which of the following categories does your representation fall regarding the preferred waste area (Appendix C) - BROOKSIDE BUSINESS PARK, SWALLOWFIELD (Support OR No view either way OR Objection)

Objection

Q307:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness

Not meeting the Test of Soundness

Q308:2 If you are objecting to the policy on the grounds that it does not meet the test of soundness, what test of soundness do you consider that it fails (select all that apply) - The justification test

The justification test

REP 1**Name** Martyn Dadds**Question**

Q309 If you are objecting to the policy on the grounds that it does not meet the test of soundness, please include below your comments on how the policy does not meet the test of soundness

Answer

[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] have been approached for comment or input on these proposals. Objections include:-
Traffic: this development will lead to increased traffic levels in [REDACTED] area. Ecology: [REDACTED] have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the [REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] e [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

Q310 Are you seeking a change to the policy? Yes OR No

Yes

Q311x:1 If you are seeking a change of policy, please indicate the issues under which you are seeking this or these change(s) -
BROOKSIDE BUSINESS PARK, SWALLOWFIELD - LANDSCAPE

Landscape

REP 1**Name** Martyn Dadds**Question****Answer**

Q311x:2 If you are seeking a change of policy, please indicate the issues under which you are seeking this or these change(s) -
BROOKSIDE BUSINESS PARK, SWALLOWFIELD - HABITATS & SPECIES

Q311x:3 If you are seeking a change of policy, please indicate the issues under which you are seeking this or these change(s) -
BROOKSIDE BUSINESS PARK, SWALLOWFIELD - TRANSPORT

Q311x:4 If you are seeking a change of policy, please indicate the issues under which you are seeking this or these change(s) -
BROOKSIDE BUSINESS PARK, SWALLOWFIELD - GREEN BELT

Q311x:5 If you are seeking a change of policy, please indicate the issues under which you are seeking this or these change(s) -
BROOKSIDE BUSINESS PARK, SWALLOWFIELD - FLOODING

Q311x:6 If you are seeking a change of policy, please indicate the issues under which you are seeking this or these change(s) -
BROOKSIDE BUSINESS PARK, SWALLOWFIELD - AMENITY IMPACTS

REP 1**Name** Martyn Dadds**Question****Answer**

Q312 If you are seeking a change, please elaborate further on the change(s) that you are seeking

[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] have been approached for comment or input on these proposals. Objections include:-
Flooding: the proposed development is in a zone designated as a potential flood zone. Traffic: this development will lead to increased traffic levels in [REDACTED] area.
Ecology: [REDACTED] have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated [REDACTED]
[REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

Q313 Are you seeking a change to the 'supporting text'? (Yes OR No) No

Q334 Into which of the following categories does your representation fall? (Support OR No view either way OR Objection) Objection

REP 1**Name** Martyn Dadds

Question	Answer
Q336:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness	Not meeting the test of soundness
Q337:2 If you are objecting to this principle on the grounds that it does not meet the test of soundness, what test of soundness do you consider that it fails (select all that apply) - The justification test	The justification test
Q338 If you are objecting to this principle on the grounds that it does not meet the test of soundness, please include below your comments on how the proposal does not meet the test of soundness	[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] have been approached for comment or input on these proposals. Objections include:- Flooding: the proposed development is in a zone designated as a potential flood zone. Traffic: this development will lead to increased traffic levels in [REDACTED] area. Ecology: [REDACTED] have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the [REDACTED] e and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. REP 1**Name** Martyn Dadds**Question****Answer**

Q339 Are you seeking a change to the principle? Yes OR No

No

Q492:13 There are 15 documents included in the Plan's evidence base, as well as a Policies Map, all of which can be found listed in Appendix D (page 185) of the Proposed Submission Plan document. I wish to comment on the Waste: Proposal Study

Waste: Proposal Study

Q504 There are 15 documents included in the Plan's evidence base, as well as a Policies Map, all of which can be found listed in Appendix D (page 185) of the Proposed Submission Plan document. What are your comments on the Waste: Proposal Study?

██████████ has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the ██████████ have been approached for comment or input on these proposals. Objections include:-
Flooding: the proposed development is in a zone designated as a potential flood zone. Traffic: this development will lead to increased traffic levels in ██████████ area.
Ecology: ██████████ have a precious environment with the wildlife of the ██████████ & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the ██████████ and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: ██████████ is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

REP 1**Name** Martyn Dadds**Question****Answer**

Q509 Into which of the following categories does your representation fall? (Support OR No view either way OR Objection)

Objection

Q511:2 An objection must relate to either the local plan not complying with the legal requirements or it not being sound in relation of at least one of the tests of soundness. If you are objecting, under which criteria is this objection (select all that apply) - Not meeting the test of soundness

Not meeting the test of soundness

Q512:2 If you are objecting to this principle on the grounds that it does not meet the test of soundness, what test of soundness do you consider that it fails (select all that apply) - The justification test

The justification test

REP 1**Name** Martyn Dadds**Question**

Q513

If you are objecting to this principle on the grounds that it does not meet the test of soundness, please include below your comments on how the proposal does not meet the test of soundness

Answer

[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] have been approached for comment or input on these proposals. Objections include:-
Flooding: the proposed development is in a zone designated as a potential flood zone. Traffic: this development will lead to increased traffic levels in [REDACTED] area.
Ecology: [REDACTED] have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site. This would be devastated by the scale of the proposed development. Pollution: the [REDACTED] and vicinity will suffer increased air pollution and noise impacting on residents health & wellbeing. Overall: [REDACTED] site is small and this scale of development is unsustainable and will be devastating to the local community & surrounding environment.

Q514

Are you seeking a change to the principle? Yes OR No

No

REP 1**Name** Martyn Dadds**Question**

Q518

If you have any further comments about the Joint Minerals and Waste Plan Proposed Submission Plan document for Central and Eastern Berkshire, please include them here

Answer

[REDACTED] has been nominated as a potential site for category 3 waste disposal (page 183) ... neither the [REDACTED] have been approached for comment or input on these proposals. Objections include:-
Flooding: the proposed development is in a zone designated as a potential flood zone. Traffic: this development will lead to increased traffic levels in [REDACTED] area.
Ecology: [REDACTED] have a precious environment with the wildlife of the [REDACTED] & river Blackwater adjacent to the proposed site.
