Hi Tasha

Provided both are taken into account, we are happy with that.

Thanks you

Dear Steven and Graham

I have recorded the representation you submitted on behalf of Bellway Homes which was sent through on 15 October 2020 at 14:12 and the email was titled '*Representation to the Pre-Submission Draft Central & East Berkshire Minerals & Waste Local Plan with respect of land at Greenacres Farm, Finchampstead*'.

I have just come to record the representation as per the above and have noted it has also been submitted on behalf of Bellway Homes. We are only able to accept one representation from an organisation (I am referring to Bellway Homes in this instance, not Woolf Bond Planning as I acknowledge you are acting on their behalf). Are you therefore satisfied that I include the information in this email (sent at 14:16 and titled '*Representation to the Pre-*

Submission Draft Central & East Berkshire Minerals & Waste Local Plan with respect of land at Highlands, Basingstoke Rd, Spencers Woos') with the earlier submission for Bellway Homes titled 'Representation to the Pre-Submission Draft Central & East Berkshire Minerals & Waste Local Plan with respect of land at Greenacres Farm, Finchampstead'?

Many thanks,

Tasha

Dear Sir,

Please find attach a representation to policies M2 and M4 of the draft Submission Plan. I would be grateful if you could acknowledge receipt.

As indicated in the attach letter, I wish to appear at the examination of the draft Plan and also would like to be kept informed of all subsequent stages in its preparation through to potential adoption.

Yours faithfully,

Graham Ritchie BSc(Hons) MA MRTPI
