Hampshire
County Council

Air Quality in Hampshire

Accountable officer: James Moore

Email address: charlotte.parfitt@hants.gov.uk

Department: Economy, Transport and Environment

Date of assessment: 12/04/2018

Description of current service/policy

Immediate work is required from Hampshire County Council as Highway Authority to assist the District Councils in reaching compliance with a Ministerial Direction related to air quality exceedances of nitrogen dioxide at various Hampshire locations, as set out in the UK plan for tackling roadside nitrogen dioxide concentrations.

Geographical impact: Basingstoke & Deane, Fareham, New Forest, Rushmoor

Description of proposed change

The report to the Executive Member for Environment and Transport seeks to set a direction on transport related air quality concerns and seeks appropriate delegations and authority to undertake actions necessary to do the work required in the "shortest possible time". Additionally, the recommendations seek authority to be delegated to the Director of Economy, Transport and Environment to submit outline business cases and bids for funding measures.

Impacts of the proposed change

This impact assessment covers Service users

Engagement and consultation

Has engagement or consultation been carried out? Planned

Any emerging measures which involve road and traffic changes or restrictions are likely to require local consultations before final decisions are taken on such measures.
