Currently cross border charging is due to be introduced on the 1st January 2020 where non-Hampshire residents will have to pay £5 per visit to access a Hampshire Household Waste Recycling Centre. All Hampshire residents are required to register for an e-permit which will give them access to all Hampshire sites using the ANPR system.

Geographical impact: All

Description of proposed change

The proposal is to delay the implementation of the system until 1st April 2020 due to challenges with the IT system. Instead a registration period will begin by early January with the full system starting on 1st April 2020.
