## Description of current service/policy

HCC is progressing the scheme design and development of a Full Business Case for M27 Junction 10 Improvement. The scheme will help facilitate Welborne Garden Village comprising 6,000 new homes and approximately 6,000 new jobs. The scheme will also improve access to the local area in North Fareham and will create additional access and egress onto and off the M27 limiting extraneous movements on the local road network.

Geographical impact: All  
Hampshire

## Description of proposed change

Improve motorway junction to provide all moves compared to current situation which only allows for westbound off and eastbound on movements. Scheme involves provision of a new motorway underpass, a new east west link road, 3 new roundabouts and 2 new slip roads with associated embankment works.

## Impacts of the proposed change

This impact assessment covers Service users

## Engagement and consultation
