

Waterside Vision

Accountable officer: David Fletcher

Email address: charlotte.parfitt@hants.gov.uk

Department: Economy, Transport and
Environment

Date of
assessment: 30/10/2020

Description of current service/policy

The purpose of this report is to brief Cabinet on the progress made to date on the Waterside regeneration proposals, to seek endorsement of the collective vision for the Waterside and to approve for the County Council to be a co-signatory to the published version of the Waterside vision statement.

Geographical impact: New
Forest

Description of proposed change

The purpose of this report is to brief Cabinet on the progress made to date on the Waterside regeneration proposals, to seek endorsement of the collective vision for the Waterside and to approve for the County Council to be a co-signatory to the published version of the Waterside vision statement.

Impacts of the proposed change

This impact assessment covers Service users

Engagement and consultation

Has engagement or consultation been carried out? No

Public consultations will be undertaken in relation to planning applications which relate to individual elements of the Waterside regeneration proposals, for example for Fawley Waterside (outline planning now secured) and in due course the proposed improvements to the northern section of the A326 and the investment proposed at Marchwood Military Port (both anticipated in 2021).

Statutory considerations	Impact	Mitigation

Pregnancy and maternity: Neutral		
Other policy considerations	Impact	Mitigation
Poverty: Neutral		
Rurality: Neutral		

Neutrality statement (if all considerations have a neutral impact)

Please note that this report relates to an overall vision for the Waterside regeneration area, and is therefore assessed to be neutral in terms of impact on persons with protected characteristics. However, it should be noted that any future decisions which relate to specific sites and/or developments will be subject to site specific environmental impact assessments.
