

Equality Impact Assessment

What is an Equality Impact Assessment (EIA) and why does the County Council do them?

The [Public Sector Equality Duty](#) (PSED) is an obligation within the [Equality Act 2010](#) (“the Act”), which asks public authorities, like Hampshire County Council, to give ‘due regard’ to equality considerations, in particular to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.

This includes assessing the impact of policies and practices on individuals and communities with a protected characteristic, as defined in the Act and some other specific groups. The County Council uses EIAs to ensure it has paid ‘due regard’ to equalities considerations when there are changes to a service or policy, a new project or certain decisions.

Title:	Hiltingbury Junior School - New Social, Emotional and mental Health Resourced Provision
Related EIAs:	None
EIA for Savings Programme:	No
Service affected	Hiltingbury Junior School.
Description of the service/policy/project/project phase	Hiltingbury Junior School is a mainstream community school in Eastleigh for pupils aged between 7 - 11 years old. The school has seen an increase in children with Social Emotional and Mental Health (SEMH) needs identified within Education Health and Care Plans (EHCPs). In addition to this, the Eastleigh district of Hampshire has also seen an increase in pupils with SEMH needs. There is a statutory duty to provide school places for all children, including those who have special educational needs and disabilities (SEND). Hampshire County Council are committed to further developing successful provision to meet this demand within the SEND sector. The proposed additional SEND provision outlined within this report will help manage some of the school place pressures generated by the increase in the number of EHCPs maintained by Hampshire

	County Council. Demand has resulted in a corresponding pressure for places in Special Schools and Resourced Provisions. Hampshire County Council is committed to further developing successful provision or creating new provision where possible to meet demand for places. There are an increasing number of children in the county who are being diagnosed with SEMH. The proposed additional SEND provision outlined within this EIA will help manage some of the school place pressures generated by the increase in the number of EHCPs maintained by the Local Authority. The proposed Resourced Provision would cater for up to 12 pupils pupils with SEMH needs from academic year 2026/27.
New/changed service/policy/project	The proposal is to create a new 12 place Resourced Provision for pupils with SEMH needs at Hiltingbury Junior School from academic year 2026/27. This will be phased over 2/3 years to allow the Resourced Provision to get established and to get fully staffed. The pupils who would attend this new provision would generally be from the local area. They would be on roll at Hiltingbury Junior School and the school would receive additional resources to ensure that the children's needs are well supported so that they can successfully access the mainstream environment and curriculum, when appropriate. New modular accommodation is proposed for this provision, replacing an old modular building no longer fit for purpose. IT and furniture and external play equipment will also be required. Costs will be finalised after tenders are received and be outlined in the Children's Services Capital Programme.

Engagement
An initial 4 week consultation is currently in progress between 20 October - 24 November with a drop in date on Thursday 20 November.

Equalities considerations - Impact Assessment

Age

Impact on public	Positive
Impact on staff	Positive
Rationale	The new Resourced Provision will support junior aged pupils with special education needs, specifically SEMH and enable them to thrive in an inclusive, and supportive specialist environment. The expansion to the school will provide accommodation to meet the needs of up to 12 junior aged pupils with SEMH. The staff of Hiltingbury Junior School will also benefit from working alongside; developing their skills, knowledge and training within the area of SEMH Special Educational Needs.

Equality Statement

Additional information:

Hampshire County Council has a statutory duty to provide school places for all children including those who have special educational needs and/or a disability. The County Council is committed to further developing successful provision to meet this demand within the SEND sector within the County of Hampshire to reduce using the more expensive private and independent school sector. This is part of an ongoing drive to seek opportunities in Hampshire Schools to expand, develop or re-designate themselves. or increase their pupil numbers, in order to meet the increasing need for SEN places.

Staff at the school will have opportunity for specialist training in supporting pupils with social, emotional and mental health and specialist teachers will also be employed.
