

Equality Impact Assessment

What is an Equality Impact Assessment (EIA) and why does the County Council do them?

The [Public Sector Equality Duty](#) (PSED) is an obligation within the [Equality Act 2010](#) (“the Act”), which asks public authorities, like Hampshire County Council, to give ‘due regard’ to equality considerations, in particular to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.

This includes assessing the impact of policies and practices on individuals and communities with a protected characteristic, as defined in the Act and some other specific groups. The County Council uses EIAs to ensure it has paid ‘due regard’ to equalities considerations when there are changes to a service or policy, a new project or certain decisions.

Title:	Denmead Junior School - New Inclusion Base (Specialist)
Related EIAs:	None
EIA for Savings Programme:	No
Service affected	Denmead Junior School, Waterlooville.
Description of the service/policy/project/project phase	Denmead Junior School is a community junior school in Waterlooville for pupils aged between 7 - 11 years old. The school is rated as a good school by Ofsted (February 2025) The school has seen an increase in pupils with Autism identified within Education, Health, and Care Plans (EHCPs). There is a statutory duty to provide school places for all children, including those who have special educational needs and disabilities (SEND). Hampshire County Council are committed to further developing successful provision to meet this demand within the SEND sector. The proposed additional SEND provision outlined within this report will help manage some of the school place pressures generated by the increase in the number of EHCPs maintained by Hampshire County Council. Demand has resulted in a corresponding pressure for places in special schools and Inclusion Bases (Specialist). Hampshire County Council is committed to

	further developing successful provision or creating new provision where possible to meet demand for places. The proposed additional SEND provision outlined within this EIA will help manage some of the school place pressures generated by the increase in the number of EHCPs maintained by the Local Authority.
New/changed service/policy/project	The proposal is to establish an Inclusion Base (Specialist) to meet the needs of up to 12 pupils with Autism needs, opening in phases in academic year 2027/28. The pupils who would attend this new provision would generally be from the local area. They would be on roll at Denmead Junior School and the school would receive additional resources to ensure that the children's needs are well supported so that they can successfully access the mainstream environment and curriculum, when appropriate. The school proposes to utilise existing surplus accommodation to become the base for the Inclusion Base (Specialist) - minor adjustments, safeguarding measures, IT, furniture will be required together with a new secure external play space.

Engagement
An initial informal consultation took place between 8 June and 6 July with a drop-in on 11 June.

Equalities considerations - Impact Assessment

Age

Impact on public	Positive
Impact on staff	Positive
Rationale	The new Inclusion Base (Specialist) will support primary aged pupils with special education needs, specifically Autism and enable them to thrive in an inclusive, and supportive specialist environment. The expansion to the school will provide accommodation to meet the needs of up to 12 junior aged pupils with autism. The staff of Lydlynch Infant School will also benefit from working alongside; developing their skills, knowledge and training within the area of social, emotional and mental health.
Mitigation

Equality Statement

Additional information:

Hampshire County Council has a statutory duty to provide school places for all children including those who have special educational needs and/or a disability. The County Council is committed to further developing successful provision to meet this demand within the SEND sector within the County of Hampshire to reduce using the more expensive private and independent school sector. This is part of an ongoing drive to seek opportunities in Hampshire Schools to expand, develop or re-designate themselves. or increase their pupil numbers, in order to meet the increasing need for SEN places.

Staff at the school will have opportunity for specialist training in supporting pupils with social, emotional and mental health and specialist teachers will also be employed.

Overview Statement:
