Date of assessment: 22/10/2018

Description of current service/policy

The current construction frameworks are used to deliver infrastructure construction projects on behalf of local authorities to improve highways and the like. The proposed frameworks will operate in the same way.

Geographical impact: All Hampshire

Description of proposed change

The change is required due to expiration of the current frameworks in 2020 - operations will be very similar and the new frameworks will start in 2020 and run for four years.

Impacts of the proposed change
