Describe the proposed change, including how this may impact on service users or staff:

To make savings and generate additional income in order to cover a budget reduction from 2021 onward. Staff turnover will present an opportunity to generate savings. There will be a greater focus by staff on income-generating activities, requiring some re-prioritisation of work programmes.

Who does this impact assessment cover?

Service users

Engagement and consultation

The County Council's *Serving Hampshire Balancing the Budget* consultation (2019-2021) will seek residents' and stakeholders' views on strategic options for funding the Authority's budget gap. Where applicable, detailed proposals for making savings will be subject to further, more detailed 'stage two' consultation before any decisions on service specific changes are made.

Has any pre-consultation engagement been carried out?

Yes

No

No, but planned to take place

Describe the consultation or engagement you have performed or are intending to perform. Describe who was engaged or consulted. What was the outcome of the activity and how have the results influenced what you are doing? If no consultation or engagement is planned, please explain why.

No specific consultation has been carried out on this proposal – however, the County Council ran a major public consultation exercise over the Summer 2019 on a range of options for finding further budget savings including increasing Council Tax, using reserves and making changes to the way services are delivered, which may mean reducing or withdrawing certain services. The outcome of this consultation will be presented to the County Council’s Cabinet in October 2019. When decisions are made to pursue the options, further specific consultation will be carried out with stakeholders on the detailed options where required.

Consideration of impacts

Indicate whether the proposed change is expected to have a positive, neutral or negative (Low, Medium or High) impact on people who share the following characteristics.

For any characteristics with a positive, low negative, medium negative, or high negative impact, please describe this impact in the box provided.

For any characteristics with a medium negative, or high negative impact, please describe any mitigations in the box provided.

Age	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Impact:	<i>The proportion of staff in the older age brackets is relatively high (52.4% of the workforce is over the age of 50). The impact of the budget cuts are likely to be increased pressure on staff to deliver services, however the proposals include a greater emphasis on customer self-service (including online pay-per-view access to collections) and the review and reprioritisation of current work processes. Due to these other changes to mitigate the increased pressure, the overall impact on staff has been assessed as low.</i>				
Mitigation:
