Email address: charlotte.parfitt@hants.gov.uk

Department: Economy, Transport and
Environment

Date of
assessment: 30/07/2018

Description of current service/policy

The report seeks approval to establish a Commission of Inquiry to consider submitted evidence, to deliberate upon key issues and to make recommendations on a Vision for Hampshire 2050 which will guide and contribute to the future prosperity, quality of life, and protection and enhancement of the character and environment of Hampshire. The Commission will have no decision making powers, hence no impact itself, although it might make recommendations which would be subject to the EIA process.

Geographical impact: All
Hampshire

Description of proposed change

No change is proposed, as the report merely seeks to establish a Commission of Inquiry and its process of working.

Impacts of the proposed change

This impact assessment covers Service users

Engagement and consultation

Has engagement or consultation been carried out? No

At this stage no consultation is planned, as the report seeks approval to establish a Commission. The Commission will consult expert witnesses and consider a wide range of evidence before making any recommendations.
