Department	Economy, Transport and Environment
Date of Assessment	20 Jul 2017

## **Description of Service / Policy**

There is a new national Code of Practice: 'Well-managed Highway Infrastructure' (October 2016). The new Code for well managed highway infrastructure combines the three previous codes into one document. The three codes were Well Maintained Highways, Management of Highway Structures and Well Lit Highways.  
Geographical impact\* All Hampshire

## **Description of proposed change**

There is a need to amend some areas of the current highway service in order to comply with the new code. To achieve this, Hampshire County Council will need to develop a risk based approach in a number of areas of highway service delivery

## **Engagement and consultation**

Has engagement or consultation been carried out? No

## **Impacts of the proposed change**
